

Propose 30-Cent Toll for McKinley

Engineers Hope Boost In Income Will Offset Traffic Volume Slump

An increase in the schedule of vehicular tolls on the Venice-owned McKinley Bridge was initiated by the Venice city council Friday night in a move intended to eliminate a mounting deficit in bridge revenue.

The action was taken on the recommendation of a New York engineering firm, which undertook a traffic survey three months ago at the request of representatives of the bridge bondholders. The city still owes \$20 million in bridge bonds.

Mayor John E. Lee told the council that he believes the earliest a new toll schedule could be made effective would be at the beginning of the bridge fiscal year Oct. 1.

The mayor pointed out that measures authorizing the toll increases will have to be adopted, new bridge tickets and toll books will have to be prepared and official notices will need to be published.

From 2 to 15 Cents
Amount of the increases will range from two cents to 15 cents, depending on the type and weight of vehicles.

The minimum increase of two cents will be confined to ticket books which contain 20 tickets.

Under the present toll schedule, each ticket is 10 cents, 18 cents, or \$3.00 for the book. The new schedule will raise the cost of each ticket to 20 cents, or \$4.00 for the book.

Tickets are to be good for 30 days from date of sale.

The cash toll, now 25 cents, will be increased to 30 cents for passenger cars. The toll for pickup and panel trucks, now 35 cents, will go to 40 cents.

Rates for Large Trucks
Increases of ten cents will be effected in the tolls for two-axle and three-axle trucks. Two-axle trucks, which now pay a 40-cent toll, will pay 50 cents; three-axle trucks, now paying 50 cents, will pay 60 cents.

Trucks with four axles, now paying a 60-cent toll, will pay 75 cents; an increase of 15 cents. Five-axle trucks also will be increased 15 cents from the present 75 cents to 90 cents.

The toll for local buses will be increased from 30 to 40 cents, and that for other buses will be raised from the present 50 cents to 60 cents.

The toll for motor scooters will increase from 20 cents to 25 cents.

No change will be made in the 10-cent toll for auto trailers and cycles, or the \$5 toll for extra high on wide loads.

Expect Some Traffic Loss
While admitting that higher tolls may result in loss of some bridge traffic, the traffic survey firm, Coville & Collins of New York, estimated that the higher toll schedule would bring in \$166,000 in additional

Laclede Walkout Ends: Issues to Be Negotiated

An unauthorized walkout of about 600 steelworkers at Laclede Steel Co. in Madison ended last night as striking employees began returning to their jobs on the 11 p.m. shift.

Union and company officials said the workers will continue their return to work today according to their regular work schedules which include the 7 a.m. shift this morning and the 3 p.m. shift this afternoon.

Decision to end the strike, described by international business representatives as an unauthorized walkout, was reached Friday afternoon in a meeting at the Labor Temple attended by about 100 of the estimated 600 members of United Steelworkers of America, Local 1783.

The meeting was attended by Buddy Davis, USA district representative who has jurisdiction over Local 1783. The meeting, a closed session, lasted about an hour.

Workers Decline Issue
Davis declined comment as to whether the walkout was a strike, but emphasized that "the men decided themselves to return to work."

The strike began last Tuesday night just before the 11 p.m. shift was due to report for work

11 Undergo Surgery At Local Hospital

The following are recovering at St. Elizabeth Hospital after surgery which they underwent since July 4:

William Douglas, 1319 Madison avenue; Sandy Reeves, 2908 Forest avenue; George Turner Jr., 2128 Washington avenue; Isabel Kraker, 3600 Lake drive; Mary Boyd, 30 Villa drive; John Lane, Collinsville; Larry Williams, Bartow, Cal.; Martin J. Bucher, 1407 West 10th street; Albert Hancock, 40th; Ethel Ke, 2008 Ohio avenue; Jeffrey Morton, 1607 Fourth street, Madison.

Sirens Sound Briefly

Southwestern Bell technicians who were working on related telephone lines apparently triggered Granite City warning sirens which sounded briefly about 2 p.m. Friday, according to Sirens Director Victor H. Koenig. Two other accidental tests, causing momentary growls occurred earlier the same day, it was reported.

YOUTH PROGRAM AID DOWNTOWN CLEAN UP

If the downtown Granite City area appears a little brighter these days, with cleaner streets and alleys and parking lots free from weeds, the summer youth employment program, a special project under Mayor Donald Partney's direction, is accomplishing one of its objectives.

The ten-week job-for-youth program, instigated by Mayor Partney, and financed with federal funds, is a supplementary program from the city and local business organizations, got underway June 17.

Cosponsoring the general clean-up and beautification program are the Downtown Granite City Shopping Center Association, Coordinated Youth Services, Associated Retailers and Civic Association, Chamber of Commerce of the Tri-Cities and Madison County, Clinton County EOC Neighborhood Youth Corps.

Parney Files Suit Against GC Council

Circuit Court to Decide On Which Committees—Mayor's or Council's

A suit for a declaratory judgment was filed for Mayor Partney against Granite City's 16 aldermen in the current controversial case of appointments of the city council committees.

In the complaint filed Wednesday by the law firm of Chapman, Strawn, Kliner and Talbert in Madison county circuit court at Edwardsville, the mayor seeks a finding that he only has the authority to make appointments to council committees, that he, the mayor, is the only valid appointments and that such appointments shall officially serve for the year.

Mayor Partney further asks that any appointments made by the council be held unlawful and without authority, and that any appointments designated by the council decided from endeavoring to act in such capacity.

The controversy arose after Mayor Partney made his annual city council appointments on May 20, on the basis of a city ordinance passed Oct. 12, 1964, during the tenure of former Mayor Leonard Davis.

The complaint states that on June 17 the council repealed the 1964 ordinance on a motion by Alderman Poulter.

In the repeated session, the new ordinance gave the council the authority to appoint members of all standing and special committees, with every committee to consist of three members, including the chairman. It gave the mayor the authority to designate the chairman.

Mayor Partney vetoed that action on June 24, but the council overrode the veto.

Since May 20, the council has operated virtually without committee report, with the exception of the council which the mayor selected Alderman Edmund Barrioski to continue serving as chairman of the Special Sewer committee.

Alderman Robertson presented the council's selection of committees and over "out-of-order" rulings by the mayor.

Area Births Up 25%, Deaths Show Decline

The number of births in the Quad-City area during the six months of this year has risen 25% over that of the same period a year ago while the number of deaths has dropped 18%, a computation of vital statistics showed today.

City Clerk Homer Pennington reported that 91 births and 36 deaths occurred in the area during June, increasing to 521 the number of area births, and to 23 the number of deaths during the six months of this year.

There were 407 births and 288 deaths during the first six months of 1967.

This shows an increase of 105 births and a decrease of 35 deaths in comparison to last year's figures.

The 91 births in June was an increase of 16 over the 75 occurring in June 1966. The 36 June deaths was a drop of one below the 37 of June 1966.

GRANITE CITY DUMP IS CLOSED—City workers were there Friday to place posts in the entrance. Under a new contract, Granite Cityans with a city auto license sticker on their windshields can still haul debris and dump it without charge at the Milam Corp. Landfill, just a short distance from the old city dump.

No Holiday Traffic Deaths Here But 23 People Injured

The Quad-City area escaped traffic fatalities during the long Fourth of July weekend as the nation reduced its auto death toll to 384 from the 732 recorded during the same holiday

weekend a year ago. However, 23 persons were hurt and 28 crashes occurred here.

A collision at Madison avenue and Nameoki road at 4:40 p.m. yesterday, in which the drivers of both vehicles claimed they had a green traffic signal, resulted in five people receiving emergency treatment at St. Elizabeth Hospital.

The mishap involved Armon J. Harris, 33, of 1510 Fourth street, Madison, who was turning left on Madison avenue, and Robert R. Byrd, 16, of Rural Route One, who was traveling south on Nameoki road.

Mrs. Ruby Lane, 62, of 719 Twenty-sixth street, a passenger in the Byrd patrol car, was admitted at St. Elizabeth Hospital with abrasions and lacerations to the left leg. She also reported striking her head on a dome ceiling light. Other passengers in the Byrd auto, apparently uninjured, were Vivian Ella and Michael Byrd.

Treated and released were Harris, who struck his head and underwent x-ray; Rosalie Harris, 25, who suffered abrasions to the right knee and hit her forehead on the windshield; Danny Harris, seven, and Denise Harris, six, passengers in the back seat who were thrown to the floor and complained of abdominal pains.

Council members also have not yet decided what is to be done with the old city dump, now that it is filled. A decision is expected within a short time, since city workers erected a barrier across the entrance on Friday.

Two Men Seen Placing Body of Woman in Car

County authorities are investigating a report received at 12:05 a.m. Saturday that two men were seen lifting the body of a woman out of weeds along Chouteau Slough and place into an auto before driving off.

No descriptions of the car or men were available. The call was made to local police by Janie Baker of Chouteau Slough road. Granite City police also went to the scene, but the report was made to county authorities.

Deputies said today the car had not yet been located, and the case was still under investigation.

3 Injured So Far

Seven persons obtained treatment for injuries sustained in a two-car accident at 12:05 a.m. Saturday on Route 111.

They included Earl M. Littrell, 25, Millstadt, Ill., and his wife, Billie June, 22, both transferred from St. Elizabeth Hospital to Scott Air Force Base.

Three other Millstadt residents were brought to the local hospital. They were Mrs. Jesse (Carole) Stoenking, 22, and her daughter, Tammy Michelle Stoenking, seven months old, both admitted to the hospital, and her son, James E. Stoenking, two years old. They were transferred to the hospital.

8 WITHOUT A QUAD-CITY TRAFFIC FATALITY

GC Dump Closed; New Landfill on Old Route 67a

The city dump operated by Granite City for the past dozen years is filled and was barricaded Friday, but the dumping privilege afforded Granite Cityans wanting to haul away their own trash still prevails at a new location a short distance away and on the opposite side of Route 260.

The new dump is operated by Milam Corp. of LaMeade-United Corp., St. Louis, and is known as Milam Corp. Landfill.

It is located behind the new Truck Stop service station in St. Clair county, and may be reached by turning left at the intersection of Route 260 and Bend road traffic signal and proceeding along the frontage road (old U.S. 67a).

Mayor Partney said access to the dump is available to Granite Cityans with city auto license stickers on their windshields.

Many Quad-Cityans have been hauling trash to the old city dump, because items such as old bed springs, cannot be placed in the two 30-gallon containers which are emptied on a regular basis by Milam Corp.

The new firm began collecting trash and garbage on July 1, although there has been a major council dispute over sign placement on the dump.

Council members also have not yet decided what is to be done with the old city dump, now that it is filled. A decision is expected within a short time, since city workers erected a barrier across the entrance on Friday.

Burglars Choose Long Holiday To Hit 6 Homes

2 Robberies, Other Break-Ins Among 28 4th of July Reports

Six Quad-City homes were entered as burglars took advantage of the Fourth of July holiday to break in while the residents were away. One of the intruders was surprised in a house and was chased by the owner.

Two robberies, a tavern burglary solved by three arrests and two other burglaries at business places also were among 28 reports received by area police and deputies last night.

A young burglar was surprised at 1:45 a.m. Sunday in the home of Albert Walton, 2744 Buxton avenue, who chased him out of the back door and struck him with a stool. The intruder fled a fence and escaped.

The family was at home when the burglar entered by pulling through the rear screen door.

Hearing him bump against a vase in the dining room, Walton turned on a light. The youth told Walton he had "gotten into the wrong house" and fled as Walton tried to apprehend him.

He was about 17 years old, five feet, nine inches tall, weighed 150 pounds and had sandy hair. It is believed nothing was taken, but a blouse was found lying in the back yard.

\$300 Armed Robbery
A young man armed with a black short-barreled gun obtained \$300 from Sam Littlejohn, 1401 Kirkpatrick Homes, in a robbery at 5 a.m. Sunday while Littlejohn was walking at the corner of East 24th street and Ridgeland avenue.

Littlejohn, who had been on his way home from work, said the bandit appeared suddenly, having possibly hidden behind a tree.

The gun was placed against Littlejohn's ribs. When his wallet was demanded, he asked to keep the papers inside it. The robber agreed and allowed Littlejohn to hand him currency.

Ordered to "keep on walking and don't turn around," the victim went home and then called police.

The bandit was about 20 years old, with dark complexion and black hair. He was of heavy build, about five feet, nine inches tall, weighing about 180 pounds.

He wore dark trousers and a tan shirt with multicolored stripes and the sleeves rolled up.

Woman Motorist Robbed
A man who claimed he was a police officer chased a woman motorist from Venice to a point near Brooklyn on Route 3 yesterday morning, strangled her and took her cash box and a \$125 check and \$20 in cash.

Mildred Underwood, who said she was traveling from Florida, was stopped by a man who told her to follow him to a service station to have them fixed.

The woman said she followed the man's car to a service station in Venice after the man said he was a police officer.

\$700 Apartment Fire; 5 Other Fire Alarms

Five attributed to smoking in bed caused \$700 loss at 1:35 a.m. Saturday at a brick apartment at 2015 Washington avenue owned by John Harvey and occupied by Lora Carney.

There was \$300 damage to the building and \$200 to the contents. No injuries occurred.

A blaze in shrubs caused \$15 loss at the yard of Marvin Brykman, 2810 East 24th street, at 9:35 p.m. Friday. It apparently was started by a discarded fireworks sparkler.

An loxbox motor created smoke at the Allen Charbonier home, 2544 Edwards street, at 4:30 a.m. Friday.

Granite City firemen extinguished weed fires at 4 p.m. Friday near the West Pontoon railroad crossing, at 5:15 p.m. Friday at East 23rd street and Nameoki road and at 7:50 p.m. Friday at an old cemetery near Kirkpatrick Homes.

Canal Freight Down in June But Higher for Six Months

Freight shipments moving through the Chain of Rocks locks and locks during June declined 330,556 tons below May freight traffic, according to a report by the U.S. Army Corps of Engineers which operates the locks.

June freight totaled 3,597,909 tons, with 3,595,059 of it in commercial freight and 1950 tons in government tonnage, the report said. In May, a total of 3,928,065 tons in commercial freight and 450 tons in government freight, passed through the canal.

Shipments during June included 2,100,555 tons moving upriver and 1,495,104 tons moving downriver. Largest upriver shipments included 862,250 tons of coal, while largest downriver shipments were 1,067,250 tons of grain.

Freight movements during the month increased to 20,885, 534 the total tonnage passing through the Chain of Rocks locks during the six months of this year, compared to 19,645, 365 going both upriver and downriver during the same period of 1967.

Total Shipments

Shipments during June included: petroleum products, 553,200 tons upriver and 203,950 tons downriver; grain, 28,250 tons up and 1,067,250 tons down; coal, 862,250 tons up and none down; cement, sand and gravel, 8800 up and 40,600 down; sulphur, 52,000 up and none down; miscellaneous commodities, 284,205 up and 59,745 down; iron and steel products, 18,800 up and 50,800 down, and chemicals, 10,800 up and 50,800 down.

Arrested for Speeding

Three arrests on speeding charges were made by Venice police early yesterday morning. All three motorists posted \$25 cash bonds each pending hearings. Those arrested were Larry L. Freeman, St. Louis; Darrell E. Tullock, Florissant, Mo.; and Dave Pasqual, Yuma, Ariz.

Venice Man Arrested Twice in Two Hours

A Venice man was arrested twice in a two-hour period last night and early today and, as a result, faces three charges filed on a complaint signed by his wife.

Police said they were called at 11:25 p.m. yesterday to the apartment of Mrs. Tamara Hibbler, 175 Lee Wright Homes, who told them she had been beaten by her husband, Joseph Hibbler, 37. Hibbler was gone when they arrived, police said, but they found him later at the Post 799 Legion Home in North Venice.

Hibbler was booked on a charge of battery and was released on a notice to appear. Police said they advised him not to return to his wife's home.

At 1:25 a.m. today, officers said, they received a second call to the apartment where they found Hibbler had kicked out the front door. Hibbler was sitting on the steps when they arrived, officers reported, adding that Mrs. Hibbler had fled through a rear door.

Hibbler was arrested again and booked on charges of destruction of property and peace disturbance. He still was held in jail this morning.

Documentary Film On Poor to Be Shown

On Monday, July 15, at 8:30 p.m. on Kets Channel 9, experts from anti-poverty agencies, such as the Harlem Consumers Council, Mobilization for Youth, Massive Economic Neighborhood Development Council, will discuss the problems of the impoverished American on "The Poor Pay More," a documentary film, to be aired that evening.

Through the use of concealed cameras, viewers will be shown the standard "pitch" of a door-to-door food freezer salesman who promises top quality goods but delivers freezers that rapidly break down. Other points of discussion will be on the methods of furniture and appliance stores and their seasonal association with finance companies.

Airman O'Shia Gets Commendation

Airman First Class Joseph L. O'Shia Jr. has received the Commendation Medal for service together with a citation for distinguished and meritorious service as an aircraft technician, with the 612th Tactical Fighter Squadron, Phu Cat Air Base, Republic of Vietnam from May 3, 1967, to March 7, 1968.

"During this period, Airman O'Shia's skill aided immeasurably in identifying and solving numerous problems encountered in the accomplishment of his duties," the citation reads.

"The energetic application of his knowledge has played a significant role in Southeast Asia. The distinctive accomplishments of Airman O'Shia reflect credit upon himself and the U. S. Air Force."

The medal and citation were presented at Kirtland AFB, Albuquerque, N. Mex. The airman is a son of Mrs. Marie Jezioro, 1615 Poplar street.

GC Meter Revenue Drops To Lowest in 7 Months

Parking meter income during the month of June fell off to a total of \$3877, the lowest in seven months, according to a report of Robert Stevens, city comptroller. Revenue for the month included \$2880 in meter fees and \$997 in fines collected for meter violations.

Meters were in operation 25 days during the month, resulting in an average daily revenue of \$146 in both fees and fines.

The June revenue increased to \$2481, the total parking meter income for the six months of this year, an increase of \$1605 over the six-month total of 1967 when overall collections amounted to \$23, 596. Parking meter revenue has shown a steady increase for the last five years, although annual gains have been slight in several instances.

June Fees Down

The yearly total for 1967 amounted to \$48,337, compared to \$38,336 for the 1968 year. June meter fees were \$250 less than the \$3100 received in the previous month of May, but fees of \$387 in June were up \$40 over May fine collections of \$77.

Fee collections last month, on the other hand, were far below those of June a year ago, when they amounted to \$3900. Collection of fines last month were only \$46 more than the \$741 collected in June 1967.

Overall meter revenue during June was the lowest since November 1967 when both fee and fine collections amounted to \$3835, including \$2800 in fees and \$935 in fines.

April Best Revenue

Largest monthly revenue from parking meters this year was reported for April when fees amounted to \$3800 and penalty fine collections were \$1253 for a total of \$5053, the highest monthly income for many years.

Although January in previous years has been one of the lightest months for parking meter revenue, it produced the second highest revenue of any month during the year thus far. Fee and fine collections in January totaled \$2500, with \$2400 of the amount in fees and \$100 in fines.

March ran a close third with total collections of \$4185, made up of only \$3000 in fees, but \$1135 in fines. February produced \$4043 including \$3000 in fees, identically the same amount as collected in March, with fine collections totaling \$1043.

Auto Hits Barricade, Goes Into Excavation

The southbound auto of Carl L. Wallace, 2842 Ralph street, was damaged at 1:38 a.m. Sunday when it drove off the pavement of Nameoki road where widening work is in progress at East 27th street.

At A. H. Seebold Co. barricade was struck, and the car entered an excavation for construction of a median divider.

MORE ABOUT Venice

Commerce Commission to pay 14% of the total cost on \$180,000, whichever is smaller.

Study Another Plan
Mayor Lee said the state highway officials also are studying another plan advanced by Venice, under which part of the cost assigned to the railroads would be used to pay the earlier costs of construction, permitting Venice to hold its funds for a longer period of time.

The city's escrow fund is invested in time certificates. The council Friday night authorized Union Electric Co. to build a transmission tower which will carry power lines from the Venice Union Electric Co. Plant to the Ridge station in East St. Louis. The authorization permits the utility to build the tower at South Main street.

Recent settlement of tax objections filed by Union Electric resulted in a payment of \$60,000 to the city.

The mayor said these funds will permit the city to build until 1967 tax settlements are received without borrowing further from the working cash fund or the McKinley Bridge revenue fund.

Permits were approved for Edward Devany, 1018 Third street, to build a garage at a cost of \$150 and for Edgar Russell, 1308 Oriole street, to construct a garage costing \$500.

Bridge revenue for the fiscal year ending Sept. 30, 1968.

In addition, the firm claims, revenue would increase annually over the next ten-year period to \$18,000 in additional revenue for the fiscal year ending Sept. 30, 1978.

The engineers informed the city that if the higher toll schedule is not adopted, a deficit of \$127,000 in the amount needed to meet funding requirements would occur during the year ending Sept. 30, 1968, and that there would be a deficit in each of the next nine years.

The traffic survey was ordered last spring following a meeting of Venice officials in New York with representatives of the bondholders and with the bridge engineers, Hardesty & Hanover, to discuss a steadily worsening financial situation.

Serious Financial Problem

The financial problem resulted from declining bridge traffic that followed opening of the toll-free interstate 270 bridge north of the McKinley Bridge and the toll-free Poplar street bridge in East St. Louis south of Venice.

Traffic has fallen off consistently since last November. Mayor Lee pointed out that McKinley Bridge traffic last month was 32% less than the traffic of the same month in 1967.

The original bond ordinance under which Venice financed purchase of McKinley Bridge in 1959 for more than \$20 million provided that "from time to time, as it shall appear to be necessary" the city is to ask the traffic engineers to make recommendations as to a revision of the schedule of tolls.

It was under this section of the ordinance that bondholders requested the traffic survey earlier this year as the first step toward preventing a deficit in bond payments and other required funding deposits.

The engineering firm said in its report to the council that revenue during the next fiscal year, beginning Oct. 1, 1968, would amount to \$1,026,000 in tolls. Railroad rental and earned interest would bring total income to \$1,318,000. Operation and funding requirements would amount, however, to a total of \$1,445,000, leaving a deficit of \$127,000.

Would Leave Profit

The report projected revenue of \$1,192,000 for the same period under the proposed new schedule of tolls. This would leave a \$30,000 "profit" rather than a deficit. Such profit, however, would be only an amount in excess of total funding requirements. It would not include the \$100,000 received by the city of Venice in past years for operating the bridge. The survey projected a \$170,000 increase in revenue during

192 Major Crimes in GC During June, Down Four

A total of 192 major crimes were committed in Granite City during June, a decrease of four from the same month last year, it was reported by Police Chief Ronald J. Velzer.

Twenty-eight were cleared by arrests, compared to 19 for the same month a year ago. There was one robbery, same as last year, two assaults, up one; 40 burglaries, up three, with three cleared; 129 larcenies, down nine, with 18 cleared; and 30 auto thefts, up one, with four cleared.

No fatal traffic accidents occurred in the city during the month, with one reported last year in June; but there were 131 accidents, up eight, and 44 persons injured, down five.

Included were 34 personal injury accidents, up one; and 97 property damage accidents, up eight.

For the first half of the year there has been one fatal accident, compared to three last year; 203 persons injured, up 15; 208 personal injury accidents, up 30; and 591 property damage accidents, up 75, for a total of 800, up 103.

Police made 261 traffic arrests during the month, down 15; 237 other arrests, down 37; and 140 additional charges, down 34, for a total of 1732 charges, down 86.

The department answered 1453 complaints during the month.

The second week's local contingent was as follows: Troop Three, St. John United Church of Christ, G. H. Sternberg, leader, and Allen Green, Ronnie Hotz, Dennis Labray, Ken Nolen, Robin Nunn, James Green and Thomas Thaxton.

Troop 23, Long Lake volunteer fire department, Lee Fourcault and Robert Jones, leaders, and William Arnold, Dan Daiger, Roger Daiger, Edward Dummitt, Peter Fourcault, John Harper, David Hutchins, Steven Hutchins, Dan Kreher, Mark Reeder, Rudy Reeder, Roger Yokley, Donald Agles, Steve James, Larry Taylor, Rich Taylor, Dave Senior, Stan Daiger, James Jones, Glen Falter and Robin Knuckles.

Troop 41, Mitchell PTA, Rev. Meyers, leader, and Danny Borror, James Greer, Jeff Lake, David Haldean, Herman Jones, Tom Jones, Richard Myers, Dale Woods, Steven Woodson, Robert Stove, Mike Lake and Jerry Wells.

John Matras to Head Fleet Reserve Group

John Matras, 3221 Fehling road, will be installed as president and Lewis G. Bouwman, 3100 Wayne avenue, as vice-president of Branch 267, Fleet Reserve Association, at ceremonies July 20 at the Wishing Well restaurant in St. Louis county.

Melvin Wheeler, 3945 Pontoon road, will be added to the eight-member board of directors. Mrs. Mary Lyons, 1738 Venice avenue, and Mrs. Lewis (Trudy) Bouwman are to be seated on the auxiliary board and Mrs. John (Ada) Matras will be installed as auxiliary vice-president.

The association has a worldwide membership of career Navy and Marine Corps personnel, both active and retired. Branch 267 has 205 members and the auxiliary has 70 members.

Driver Faces 2 Charges

Ray A. Wiser, 2221 Missouri avenue, was charged with careless driving and having an invalid license registration at 8:55 p.m. Thursday at 23rd street and Madison avenue.

Squeals Tires, Ticketed

Anton R. Becker, 2650 Stratford lane, was charged with making excessive noise (squealing tires) at 11:55 a.m. Thursday at St. Clair and Wayne avenues.

279 at Scout Camp During First 2 Weeks

One hundred and 30 campers completed a week's stay at Camp Sunnen, Potosi, Mo., during the weekend, increasing to 279 the number who have participated thus far in the 1968 camp season.

Cahokia Mound Council Boy Scouts began the season two weeks ago. The third weekly group reported to the Ozarks scout reservation yesterday.

Of the 29 leaders and 250 scouts who have camped so far, 10 adults and 122 boys have been from the Uniwah (Quad-City) district.

The second week's local contingent was as follows: Troop Three, St. John United Church of Christ, G. H. Sternberg, leader, and Allen Green, Ronnie Hotz, Dennis Labray, Ken Nolen, Robin Nunn, James Green and Thomas Thaxton.

Troop 23, Long Lake volunteer fire department, Lee Fourcault and Robert Jones, leaders, and William Arnold, Dan Daiger, Roger Daiger, Edward Dummitt, Peter Fourcault, John Harper, David Hutchins, Steven Hutchins, Dan Kreher, Mark Reeder, Rudy Reeder, Roger Yokley, Donald Agles, Steve James, Larry Taylor, Rich Taylor, Dave Senior, Stan Daiger, James Jones, Glen Falter and Robin Knuckles.

Troop 41, Mitchell PTA, Rev. Meyers, leader, and Danny Borror, James Greer, Jeff Lake, David Haldean, Herman Jones, Tom Jones, Richard Myers, Dale Woods, Steven Woodson, Robert Stove, Mike Lake and Jerry Wells.

Strikes Parked Auto

Trying to prevent his dog from jumping out a car window, Gary Kunemann, 2001 Madison avenue, lost control of his southbound auto at 9:30 a.m. Saturday and its right front hit the left rear of the parked car of Bob Kurilla, 2929 Grand avenue, at the latter address.

The 1970 fiscal year under the higher toll schedule, with a \$53,000 excess over fund requirements rather than a \$117,000 deficit that would be incurred under the existing toll schedule.

By 1973, the report added, bridge revenue would be about \$1,290,000, or \$180,000 more than the projected revenue of \$1,110,000 from the present toll schedule. For the 1973 fiscal year, toll revenue would reach \$1,424,000 under the new toll schedule, compared to \$1,226,000 projected if the tolls remained unchanged.

The survey firm predicted that the higher tolls "would result in but a small decrease in bridge traffic" and that the higher revenue from a new toll schedule would greatly offset this loss.

Mayor Lee said he later asked the engineers for their projection of traffic toll because of higher tolls, and said he was told the loss would be slightly more than 2%.

GC Residents Main Users

An origin and destination survey, the council was told, showed "that Granite City is either the origin or destination of over 60% of all vehicles using the bridge, while Venice accounts for under 10% of total traffic."

The study cited an average day of 11,469 vehicles using the bridge and noted that, of this number, 7059 or 61.4% had origin or destination in Granite City; 1841 vehicles or 16% had origin or destination in Madison; 1044 or 9.1% origin or destination in Venice; and 1545 vehicles or 13.5% had origin or destination at all other points.

The survey also broke down McKinley Bridge traffic into three categories, showing that 43.8% of the 11,469 vehicles using the bridge on an average day had both origin and destination in the immediate proximity of the bridge (Venice, Madison, Granite City and St. Louis).

20th-Delmar Mishap

A collision at 26th street and Delmar avenue at 11:05 a.m. Saturday damaged the front of the westbound Yellow Cab of Leonard Crona, 2417 East 25th street, and the left front of the southbound auto of Dale Resha, 16 Terrace lane.

Vandals Damage Auto

Larry Ash, 2985 National avenue, reported at 7:55 a.m. Friday that during the night someone removed the air filter and disconnected spark plugs from his auto. Radiator and breather caps were stolen.

White and Fisher Wedding At GC Army Depot Chapel

Mrs. Frances R. Fisher and First Lt. Robert E. White exchanged wedding vows Saturday afternoon at the Granite City Army Depot Chapel.

Captain Chaplain John P. Jones officiated at the 2:30 p.m. ceremony. Wedding music was provided by Charles Bailey, organist.

The bride is the daughter of Mrs. Ruby Barker, 3528 Johnson road, and the late Charles E. Barker. The bridegroom's parents, Mr. and Mrs. Glen A. White, reside in Indianapolis, Ind.

The bride chose a white veil over blue, A-line gown that was floor length. The high neckline was edged in tiny white lace embellished with seed pearls and sequins. Her bridal bouquet was an arrangement of white roses centered with a white orchid. A Cathedral length train of white lace was attached at the shoulders with small white fabric bows.

Mrs. Marilyn Smith, matron of honor, selected a mint green dotted swiss, full length dress, along Empire lines. Daisies outlined the neckline and high waistline and edged the gently flowing train.

Miss Beverly Sparks and Miss Sandra Ramsey, both nieces of the bride, were attired in identical gowns.

In a yellow dotted swiss, they carried bouquets of white daisies with yellow centers.

Frank Fisher III, the bride's son, served as the ringbearer.

Capt. Thomas E. Bartels attended the groom as best man with Major Donald Cahill and Lt. Col. Franklin Collins as groomsmen. Seating the guests were First Lt. Dewitt Vance and First Lt. Michael Long.

Upon leaving the Chapel the newlywed couple passed through the traditional arching of sabers of Second Lt. Gary Edmonds, Ronald Kinshilla, and James Hawks, First Lt. John Goodell, Major Stephen Taylor and Warrant Officer Donald Halbrook.

A reception for the wedding guests was held at the Officers Club of the Army Depot immediately following the ceremony. After a wedding trip to Minnesota and Wisconsin, the young couple will reside at the Gaslight Walk apartments.

The former Mrs. Fisher is a graduate of Granite City high school where she was active in G.A.A., Red Peppers, Leadership and is presently employed as a secretary at the Depot.

Lt. White was graduated from Westfield high school in Indiana, received his BS degree at Purdue University, Lafayette, Ind., where was a member of the Reamer Club.

JULY 4 BRIDE, Mrs. Donald W. Schmits, the former Jo Ann Jennings, daughter of Mr. and Mrs. Merl Jennings. Her wedding took place at St. Joseph Catholic Church.

Miss Jo Ann Jennings and Donald Schmits are Wed

The wedding of Miss Jo Ann Jennings, daughter of Mr. and Mrs. Merl J. Jennings, 1725 State street, and Donald Wayne Schmits of Charlotte, N. C., a son of Mr. and Mrs. Henry L. Schmits of Princeton, Ind., took place July 4 at St. Joseph Catholic Church.

Arrangements of white gladioli, mums and greenery adorned the altar and white satin bows marked alternate pews down the aisle.

Mrs. Francis Judd presided at the organ and accompanied the vocalist, Mrs. Ann Pieper, as she sang "Ave Maria," "O

Lord I Am Not Worthy" and "Mother at Thy Feet."

The Rev. Trafford P. Maher, SJ, of St. Louis University officiated at the 4 o'clock nuptial Mass. The bride's parents held a reception and dance in the banquet room of Sunset Hills Holiday Inn afterward.

Mr. Jennings gave his daughter in marriage. She wore a gown of white silk tulle, the rounded neckline and short sleeves trimmed with rows of Venice lace. Wide borders of the lace were used on the bottom of the A-line skirt and the detachable Watteau train which was chapel length.

A bouffant veil of silk illusion adorned with lace appliques was held in place with a lace headpiece. The bride's bouquet was a cascade of white orchids and gladioli foliage.

The bride's attendants were Miss Karen Dulles of Wichita, Kans., maid of honor, Mrs. Raymond Rixman Jr. of St. Louis and Miss Janet Seymour of New York City, a sorority sister, bridesmaids.

They were dressed alike in Paris green floor-length sleeveless gowns of linen. Rolled collars formed high necklines cut to slight V's in the back and embellished with overlapping self bows. Matchless silk linen bows carried short veils, and all carried cascade bouquets of soft yellow gladioli and foliage.

Mr. Schmits had W. Roland McIntosh of Huntsville, Ala., as best man. The corps of groomsmen and ushers included Fred L. Schmits, Lawrence Schmits and Joseph M. Schmits, brothers of the bridegroom.

For her daughter's wedding Mrs. Jennings chose a tunic dress of pink linen with small

Parker and Longbottom Nuptial Ceremony Friday

Trinity Tabernacle in Madison was the scene of the wedding Friday evening of Miss Linda Lee Longbottom, a daughter of Mr. and Mrs. Walter Longbottom, 2700 Swan drive, and Vernon C. Parker, whose parents are Mr. and Mrs. Archie Parker of St. Louis.

The ceremony was performed at 8 o'clock by Rev. C. M. O'Guin, and a reception followed in the church social rooms.

The bride wore a gown of Chantilly lace fashioned with a Sabrina neckline and long tapered sleeves. The very bouffant skirt was beffuffed with lace and the Watteau train,

white embroidered flowers and a pink hat, while the bridegroom's mother appeared in a teal blue hat. Both had white accessories and white cymbidium orchid corsages.

After a trip to Nassau, the newlyweds will live in Charlotte, N. C., where Mr. Schmits is acting chief psychologist for the U.S. Army Medical Research and Development Command at the Walter Reed Army Medical Center in Washington, D.C. One of the bride's brothers, Charles Mecklenburg, is a graduate of Southern Illinois University in Carbondale and a Ph.D. in June from St. Louis University.

The former Miss Jennings attended St. Joseph parochial school and the Granite City high school. She received her B.S. degree from Washington University, her M.S. in education from Southern Illinois University in Carbondale and a Ph.D. in June from St. Louis University.

She is a member of Alpha Chi Omega National Sorority and Kappa Delta Pi education honorary.

Mr. Schmits was awarded an A.B. degree from Evansville College in Indiana, and his M.A. in counseling psychology at Southern Illinois University in Carbondale.

The couple will move in September to New Brunswick, N. J., where Mr. Schmits holds a research assistantship and will complete his doctorate at Rutgers University.

The rehearsal dinner was held at the Roundtable restaurant.

Among the out-of-town guests here for the wedding were Mr. and Mrs. A. J. Williamson of Los Angeles, Calif., Mr. and Mrs. Richard Williamson of Temple City, Calif., Mr. and Mrs. John Boone, Evansville, Ind., Mr. and Mrs. Romeo LaPage, Princeton, Ind., Mr. and Mrs. Michael McElhinney, Mr. and Mrs. Adrian Reinhardt and William Schmits of Brande, Ind., Mr. Everett Snell, St. Petersburg, Fla., Mr. and Mrs. Ralph Land, Sullivan, Ill., Mr. and Mrs. Robert Seymour, Springfield, Ill.; Fred Schmits, Lawrenceville, Ind.; Rev. Francis Corrigan, Livingston, Ill.; Miss Agnes Huser, Salina, Kans.; Miss Bernice Goedde, Carbondale, Ill.; Miss Stephanie Landwehr, Jefferson City, Mo.; Miss Kathleen Stanton, Newport Beach, Calif.; Miss Barbara Turritt, Western Springs, Ill.; Mr. and Mrs. W. R. McIntosh, Huntsville, Ala.; and the groom's parents, sisters and brothers, Mr. and Mrs. Henry Schmits, Sara, Larry, Joe, Alice and Judy, Helen Barbara, Patty, Carol and Jeff of Princeton, Ind., and those in the wedding party.

MRS. JOHN RAYMOND LEONARD, whose wedding took place Wednesday at First Christian Church, Fayetteville, Ark. She is the former Miss Carolyn Ruth Head, a daughter of Mr. and Mrs. Carl C. Head of Fayetteville.

Leonard and Head Wedding Wednesday in Fayetteville

Miss Carolyn Ruth Head became the bride of John Raymond Leonard in a double-ring ceremony Wednesday evening in the sanctuary of the First Christian Church, Fayetteville, Ark.

Rev. Robert Chambliss officiated at the 5 p.m. ceremony before an altar with arrangements of blue and white daisies and large baskets of fern on either side of the white satin prie dieu.

Candles in seven-branched floor candelabra were lighted by Miss Corrie Leonard, and Paul Leonard, a sister and brother of the groom. Blue bows and greenery marked the family pews.

Parents of the young couple are Mr. and Mrs. Carl C. Head, 447 East Ash street, and Mr. and Mrs. Ray Leonard, 1825 Applebury avenue, both of Fayetteville, Ark. The Leonard family formerly lived here, and many relatives live in this area.

George Keck, organist presented a program of wedding music and accompanied J. E. McClelland, soloist, who sang, "Because" and "The Lord's Prayer."

Given in marriage by her father, the bride was attired in a formal floor length demure cage gown of sheer frost silk organza. The mini-bodice and demi-sleeves were of guipure lace. A circular train of continuous double silk organza fell from mid shoulder. A wide border of guipure lace encircled the A-line skirt just above the hemline and on the train.

Her headpiece was a five point-bow of silk organza enhanced by seed pearls securing a bouffant veil of English tulle. The bridal bouquet was of white marguerite daisies and stephanotis, centered with a corsage of blue daisies and a lace handkerchief belonging to the bride's great-grandmother.

Miss Joan Edmiston, was maid of honor, and bridesmaids included Miss Paula Geurin, Miss Alice Alexander, Miss Linda Jo Cox and Miss Anita Leonard, sister of the groom, as junior bridesmaid.

Their gowns were designed by the bride and made by the groom's mother. They were

made from Princess Eugene style of white voile and blue flocked dimity, featuring a high waist and small puffed sleeves. Large white daisies with blue centers underlined the bodice and a cluster of three daisies, on either side of the gown, above the hemline, simulated tiny bouquets.

They wore as headpieces, original creations of five point-bows of white voile and five cascading white satin cords, ending at the hairline, with Venice daisies.

James Leonard, brother of the groom, served as best man. Groomsmen and ushers were David Edmiston, Raymon White, Phillip and Peter Leonard, the latter two, brothers of the groom.

Marjorie Head, niece of the bride, and Laurie Leonard, sister of the groom, were flower girls. They wore summer-white voile frocks, floor length, fashioned with tiny puffed sleeves on the mini-bodices, with square necklines and blue satin sashes with big bows in the back and long streamers to the hemline. Tiny Venice lace daisies outlined the sleeves, bands and edged the hemlines. They carried white baskets of blue and white daisies. Paul Glen Head, a nephew of the bride, was ring bearer.

For her daughter's wedding, Mrs. Head wore a mauve lace dress and matching accessories, while the groom's mother selected a beige floral chiffon dress with pink accessories. Both wore corsages of white daisies.

A reception for wedding guests followed the ceremony and was held in the church Fellowship Hall with Mrs. Judy Malone, Miss Kathy Kelly, Mrs. Sylvia Head, sister-in-law

EBCHT AND ILIC WEDDING ANNOUNCED

Mr. and Mrs. Michael Ilc of Homewood, Ill., announcing the marriage of their daughter, Miss Catherine Ilc, to William Ebrecht, a son of Mr. and Mrs. Elmer Ebrecht, 2629 East 27th street.

The ceremony took place in the chapel of the First United Presbyterian Church in Alton on June 7 with Dr. A. Ralph Lynn officiating.

Miss Elizabeth Ilc, sister of the bride, and James Ebrecht, the groom's brother, were the only attendants. Mr. Ilc gave his daughter in marriage.

of the bride, Miss Carolyn Curtis and Miss Paula Cox assisting at the serving table. Miss Linda McClelland presided over the guest book.

Mr. and Mrs. Leonard were hosts for the rehearsal dinner given on Tuesday evening at the Trade Wind Motel in Springdale.

After a wedding trip to New Orleans, the newlyweds will return to Fayetteville to make their home at the Colonial Arms apartments on North Leverett street. They are both graduates of Fayetteville high school and are enrolled in the University of Arkansas, where the groom is a senior and the former Miss Head is a sophomore.

ABOUT THIS QUESTION:

"Most states are increasing their 'automobile financial responsibility laws'. Much of Canada requires a \$35,000 minimum — and British Columbia now requires \$50,000 effective July 1, 1968. Does this imply that a minimum of \$50,000 auto liability insurance is realistic today in view of high awards for injury and deaths in auto accidents?"

Polish Hall Captures 4th of July Slow Pitch Softball Tourney Here

Polish Hall won the Granite City park district slow pitch softball tournament at Wilson Park on Independence Day, beating Mexican Honorary Commission 15-3 in the final game.

The winners advanced to the finals by beating Dairy Masters 33-10 in their first game and topping Sammy's Tavern 10-7 in an afternoon game.

The Mexican club beat Bethel Community 14-2 and then topped Clark's Vikings 17-1 for a berth in the championship game.

In the final game, Polish Hall pounced off 17 hits and made one error and Mexican Honorary totaled 11 hits and five errors. The winning pitcher was Stan Serwatka and the loser was Jim Goodrich, assisted by Sunny Antoff.

Three Doubles Pace Attack
Don Hopcus had three doubles and scored twice for Mexican Honorary while teammates Tom Wyrostek and John Konovich each had two doubles and a single. Rich Williams, Ralph Sackett and John Mesaki each garnered two hits.

Mexican Honorary scored its three runs in the first inning and then left six men stranded on base in later innings. Jess Ybarra, Andy Basarich and Dave Sparks each had two hits.

Against Sammy's Tavern, Polish Hall collected 15 hits including two doubles by Konovich, a double and single by Wyrostek and a single and double by Hopcus.

Sammy's had 14 hits, among them two singles each by Joe Hauptman and Ron Yates and two doubles by Bob Karandjeff.

Each team made two fielding errors.

Sammy's Rally Falls Short
The winners scored three runs in the bottom of the first, one in the third and two in each of the fourth, fifth and sixth innings. Sammy's scored three runs in the second and sixth innings and rallied for an

additional run in the seventh, leaving one man on base.

Mexican Honorary had an easy time with the Vikings in the other semi-final tilt. The squad pounded out 19 hits and went errorless to back up Pitcher Goodrich.

The Vikings scored their only run in the second inning. They were held to eight hits and committed five errors. Ken Fowler was the losing pitcher.

Leading hitters for the Mexican club were Sunny Antoff and Jess Ybarra, three apiece, and Goodrich, Joe Gonzales, Andy Basarich, Ray Becerra and Harold Humphrey, two hits each.

Leading 2-1, the Mexican team exploded in the fourth inning with seven hits and seven runs.

Home Run By Treits
Polish Hall blasted 44 hits in its opening game against the Dairy Masters, including a home run by Dan Treits. It was the only home run in the tournament.

The winners scored a would you believe—five runs in the first, 12 in the second, two in the third, seven in the fifth, three in the sixth and four in the seventh.

The big second inning was the result of 14 hits, which included seven doubles. Winning pitcher was Serwatka and the loser was Bud Parks.

Hopcus had four doubles and teammates Mesaki and Konovich each had three hits.

Sammy's scored six runs in the top of the seventh inning to break loose from a close duel with Midtown Pharmacy and win 12-6. The decisive inning included seven of the team's 17 hits. The winners had Joe Hauptman on the mound, facing Paul Schuler.

7-4 Closest Score
Clark's beat Branding's Service 7-4 in the closest game of the tournament, scoring three runs in the bottom of the seventh on three hits and three errors. The winning pitcher

was Carl Tankley and the loser was Jim Black.

Mexican Honorary accumulated 28 hits in its opening game in its opening game. The winners made one error while the losers made five errors.

The winning pitcher was Antoff and the loser was Bob Meyer.

In an exhibition game, Mathews Chevrolet donated Vaughn's Pharmacy 19-3 on 20 hits and two errors. The winning Women's League team was paced by three singles by Sandy Allen and a single, double and home run by Joyce Gibson.

Wanda Papa hit a 250-foot grand slam home run in a 14-run fourth inning.

Zips, Dairy, Cue Nines Win Class B Softball Contests

The Zips beat Union Star 16-5 Wednesday evening at Worthington Park in Class B Softball action as Jeff Jones and Carl Svoboda honored for the winners.

The Zips pounced out 18 hits, led by three singles by Terry Rohlfing. Members of the team getting two hits were Mary Reading, Don Broyles, John Harper, Ron Thurmer and Jim Reader.

The winning pitcher was Terry Rohlfing and the loser was Jack Hubeck. Each team made three errors.

Bad Parks was the winning pitcher for the Dairy Masters as they downed Holiday Mobile Homes 20-6, collecting 30 hits off Frank Eaves. The losers made three errors.

Ed Burillon had five singles, Joe Linhart a home run, two singles and a double, Harry Ellsworth two singles, a double and triple and Carl Worthen a single, two doubles and a triple.

Keith Mathenia had three of the 16 Holiday hits.

The final game saw Tri-City Cue down Abel's Auto Body 11-9. The winners rallied for four runs in the bottom of the seventh on five hits, which included a leadoff double by Barry Sykes and singles by Bud Parks, Dan Timko, Jim Cavanaugh and Norman Warnock. Dave Timko sacrificed later in the inning.

The winning pitcher was Warnock and the loser was J. W. Allen.

Ward Captures Feature Sprint Race; Two Hurt

The feature 20-lap race at Tri-City Speedway Friday night was won by supermodified sprint car driver Bobby Ward of Corns, Ark., who crossed the finish line 10 car lengths ahead of second place driver Larry Cannon of Danville, Ill.

For the fourth straight week the race was marked by an accident this time, a six-car pile-up on the fourth lap of the feature event at the second turn.

Ernie Sanders, 26, Troy, Mo., was treated at St. Elizabeth Hospital for a bruised left knee and pains in his left leg. Jay Mitchell, 22, Argento, Ill., was knocked unconscious and was admitted to the hospital with

head pains, being released Saturday.

After the first 12 laps, which were a close three-car duel, Ward increased his lead. But the next two places were hotly contested all the way. Larry Cannon of Marshall, Mo., finished a close third, followed by Bill Utz of Sedalia, Mo., Russell Hibbard of Marshall, Mo., and John Suggs of Little Rock, Ark.

The semi-feature was won by Chuck Weyant of Springfield, Ill., followed by Ken Range of Cahokia, Duke Des Rose of Springfield and Charles Botten of East St. Louis.

Fastest qualifier of the evening was Roger Cary of Booneville, Mo.

Grand Slam Home Run Gives Win to Police

A game-winning grand slam home run in the seventh and final inning gave the Madison-Venice police team a 15-4 win over Tony and Joe's Tavern in the eighth annual Fourth of July softball game between the two squads. The two-hour contest, staged Thursday morning at the Third Street and Highland avenue athletic grounds, attracted a large crowd.

Madison Police Officer Bill Coghlan hit the four bagger after earlier slugging a two-run homer and driving in another run with a double. Winning pitcher was John Masera, Madison county treasurer and a former Madison policeman, who came "out of retirement" to pitch for the department, according to Police Chief Emmet Pazia.

Losing pitcher was Tony Antoff, whose Tavern-league team holds a four-game edge over the police squad, which picked up its initial win last year. Each year, the losers entertain winning team members at dinner and social evening following the contest.

Merchants Breeze to Victory in Holiday Fast-Pitch Meet

The St. Louis Merchants fast-pitch softball team won the fourth of July holiday invitational Granite City park district three-day tournament Sunday evening by beating L&L No. Two of St. Louis 3-1 on a four-hitter hurled by Ed Branhol. Losing pitcher Ed Larcum gave up six hits to the winners.

In previous games, the Merchants had beaten the lone local entry, Granite City Steel Credit Union, 3-1 in its opening game; Thurmer of St. Louis 3-1; and Altwood 4-1.

The L&L team led its opening game to Altwood 6-3 and then defeated the Pirates 6-0; Thurmer 4-2; Moydell 6-2 and Altwood 5-4.

The unbeaten Merchants scored in the first, third and seventh innings of the title game and L&L scored its only run in the first inning as Dick Douglas reached third base on a third strike wild pitch and scored later on a balk.

The champions scored as Gale Calloway reached base

after being hit by a pitched ball and scored on an error. Dave Shinamoto walked and scored on a single by Jasper Sottoli; and Shinamoto and Tom Manor doubled.

Only teams to meet twice in the tournament were Altwood and L&L, which split the two decisions.

GS Steel Loses, Wins
Granite City Steel Credit Union scored its lone run on four hits against the champion Merchants. Larry Williams led off the seventh inning with a single and scored on a hit by Dan Enzley.

Credit Union next beat Pacific, Mo., 4-3 in its first losers' bracket game, but was then eliminated from the tournament by Moydell, 4-0.

Against Pacific, Credit Union scored two runs in the second inning and three in the fourth, getting six of its 18 hits in those innings. Larry Melton singled, Doug Winfield tripled and Harold Tankley singled in the second.

In the fourth inning, Mike Sues reached base on an error and Larry Melton, Larry Williams and Tankley hit safely. Don Stalhut was the winning hurler.

Against Moydell, Bill Page, Jerry Voloski and Bob Patrick jointly limited the St. Louisans to six hits but their team was limited to five scattered safes and was unable to score. Two of the hits were singles by Leftfielder Norman Grove.

Moydell next suffered its first loss to Altwood, 4-0, before being eliminated by L&L.

In the opening games of the softball tournament played Friday evening at Granite City's Wilson and Worthen Parks, the Quad-Cityans dropped into the losers' bracket in losing to the Merchants, Thurmers outdistanced Pacific, Mo., 5-1, Altwood gained the 6-3 verdict over L&L and Moydell edged the Pirates 4-3.

By the rules, a team had to lose two games to be eliminated from the tournament.

2100 See Midget Auto Races Here Last Night

Tri-City Speedway was the scene of 2100 Automobile Club midget races Sunday evening that attracted an estimated 2100 spectators.

The semi-feature was won by Selberg, with Larry Rice of Linden, Ind., second.

Tattersall started from the eighth position in winning the race. Bob Wente of St. Louis placed second and a Kenyon third, trailed by Gary Evers of Loganport, Ind., McGreevey, Roger West of Joliet, Grimm in those innings. Larry Melton singled, Doug Winfield tripled and Harold Tankley singled in the second.

Earlier Sunday, Spalding drove in a Dayton, O., racing program. He finished fourth in the feature and won the semi-feature before flying to Granite City.

The midget car racers coming here had competed at Springfield, Ill., on the Fourth of July, and at Valley Park, Mo., Saturday.

The fourth heat was won by Mike McGreevey of Hayward, Calif., as Alex Toth of St. Louis placed second.

Regional Slow Pitch Tourney Vacancies

Local slow pitch softball league teams wanting to enter the Granite City Regional tournament Saturday and Sunday are being asked to contact Supt. Harold Brown at the Granite City park district office, 877-3039, as soon as possible.

There will be the preliminary round of the 1968 state tournament to be held at Caseyville July 27-Aug. 3.

Three teams in the local tournament will be invited to the state finals at Caseyville.

From Caseyville, the winner will go to a central regional meet in Wisconsin Aug. 15-18.

Next would be the world tournament at Long Island, N.Y., Aug. 30-Sept. 2.

Granite City has been represented in the world tournament by Polly Hall in 1963, 1965, and 1966 and by Spengler-Daves in 1964.

Kiwanis-Bow Line Boat Races at River Sunday

Sunday, the co-chairman said. Several entrants, expected from distant states, will be equipped with two and three boats, each in a district racing classification, they added.

Admission to the race area will be \$1 per auto, with advance tickets now available from the sponsoring club members, or at Seabold Boat Shop, 3400 Madison avenue.

Quad-Cityans may get to the race site by taking Highway Three to the Hartford Canal bridges and turning toward the river along the north road bordering the canal. Ample parking is being readied this week by the Bow Line officials.

To Metropolitan Policyholders

Seven thousand Metropolitan agents are on strike in an effort to secure an adequate contract with the Company.

Our whole careers as insurance agents are devoted to bringing financial security and freedom from worry to you and your family. Now we have been forced to go on strike to obtain these same things for ourselves and our families.

We need your help!
Please don't cross our picket lines in person or by mail!

We urge you not to pay your premiums while the strike is on. You will note in any Company advertisements or notices that they will not state that your insurance will be lapsed for non-payment of premiums during the strike. They will probably remind you that they CAN lapse it. The fact is that other insurance companies have not lapsed policies during a strike.

If any Metropolitan representative calls at your home for collections he is strike-breaking. Please turn him away.

Hold on to your premiums until the strike is over and your regular agent can once more give you the service to which you are accustomed and entitled.

You can lend further support to us by writing to:

Charles A. Siegfried, President
Metropolitan Life Insurance Company

New York, New York 10010

Tell him you support us in our struggle to stay abreast of the rising cost of living. Remind him that the Company is not a closed corporation controlled by a few bigwigs—even though it seems like one. The Company is owned by the policyholders, you and your neighbors.

We hope to see you soon.

Local Players Lead Blue Division To 4-3 Victory in All-Star Game

Quad-Cityans starred as the Blue Division defeated the Red Division 4-3 at Troy Sunday afternoon in the 20th annual Southwestern Illinois Inter-City Baseball League all-star game. The victory snapped a three-game Red winning streak in all-star competition. The Blues now lead the series, 11-9. The winners were led by two home runs by Dale Rommer, skirches of Pocahontas. He hit four-baggers in the second and fourth innings with the bases empty. The Blues totaled six hits and made four errors and the Reds had 12 hits and made three errors. Rich Lynn of the Granite City Mercer team hit a sacrifice fly to drive home what proved to be the winning run in the seventh inning after Adrian Rains, also of Mercer, led off the inning with a walk, advanced on a fielder's choice and took third on a passed ball. The Blues also had scored in the fifth frame. Red Division runs crossed the plate in the first, seventh and ninth innings. Jim Rains, Winning Hurier. The winning pitcher was Jim Rains of Mercer and the loser was Bruce Tompson, a Granite Cityan who plays for the Collinsville Moltor team. The Red Division all-stars put men on base in six of the nine innings. Red pickers included Bill O'Dell of the East St. Louis Polish-American War Veterans, Jim Knop of Maryville and Tom Calta of Collinsville.

Paddlers End Long Reign by Summersport

The Paddlers swimming club of Granite City captured the Southwestern Illinois Swimming Association annual conference relay Saturday at the Dorchester pool, Belleville, and will host the 1968 conference meet tomorrow, with diving events at 5 p.m. and swimming competition at 6 p.m. Paddlers amassed 287 points for a 35-point margin over the runnerup, Summersport of Alton. Summersport had beaten Paddlers by three points in conference relays last year. It was the first time in nine years in which Paddlers had outscored Summersport. Also, it was the first time in eight years that the Alton team had been beaten. Other teams competing were Sunset Hills country club, Sun-downers and Dorchester of Belleville, Montclair of Edwardsville, Hilltoppers of Dupont and Bellefontaine of St. Louis county. Thirty-six events made up four different relays for each of five age groups. (Women's Slow Pitch League) Vaughn's Pharmacy vs. Scribner's Lettering, 6:30 p.m. at Wilson Park

GCAD Fits Safety Shoes For 100 Youth Workers

More than 100 disadvantaged youths employed at the Granite City Army Depot through the installation's "Youth Opportunity Campaign," have been outfitted with safety shoes in a program costing over \$1000. Depot officials announced last week.

Issuance of safety shoes to the youthful employees supplies a two-fold need, a spokesman said. It provides the steel-toe shoes to youths working in jobs designated as foot-hazardous, such as cutting grass and in warehousing areas, and encourages interest in on-the-job safety.

In addition, the program also gave many youths their first pair of sturdy well-made shoes, an official said. It was noted that most of the YOC enrollees reported at the Depot for work wearing a pair of worn-out sneakers.

Criminal Trial Setting To Begin on July 29

A criminal trial setting of Madison county circuit court will begin July 29 in an effort to offset the usual summer backlog of cases.

Circuit Judge Harold R. Clark will be on the bench in previous years criminal cases pending in July and August were delayed until September, creating a heavy backlog.

In addition, the county grand jury will be recalled on Aug. 5 to consider criminal cases arising since the early June session.

Leon Scroggins, state's attorney, said the grand jury also will hear any evidence in alleged payoffs and kickbacks in connection with the county's landfill program.

Robert Ford, Wood River township assistant supervisor, recently testified before a joint state legislative commission that he had names of persons who had information on payoffs. The state commission also is investigating.

GC Clean Air Board Meets This Evening

Granite City's Air Pollution Control board is to meet at 7:30 this evening on the third floor of the city hall and will again review emission reduction programs submitted by industries.

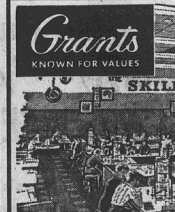

Henry Bienecki, chairman, said other topics to be taken up during the regular session will be the status of the red oxide discoloration programs instituted by the board and reports on the national Air Pollution Control Association convention attended by the technical secretary.

Divorce Granted

Gladys Ruth Henson received a divorce from Ora Hampton Henson, both of Granite City, in Madison county circuit court at Edwardsville. They were married May 18, 1948, and separated last March 27. Cruelty was charged. Custody of two children was given to the mother, and the father was ordered to pay child support of \$30 per week.

Madison Schools May be Without Teachers in Fall

Three area school districts, including Madison, may be without teachers when school opens in the fall term unless the school boards "recognize the idea of collective bargaining," according to an official of the Illinois Federation of Teachers.

At a meeting last week in East St. Louis, Oscar Weil of Springfield, executive secretary of the IFT, said that more than 1300 teachers are affected by mass resignations submitted recently by teacher locals in the Madison, Belleville and East St. Louis districts.

John Roark, IFT director of organization working with the three teacher groups in the current disputes, said the state organization has formed a placement service to obtain tentative job openings for the teachers, and that contacts have been made in northern Illinois and other states.

The school boards have called the mass resignations illegal and that the teachers are still employed. About 115 teachers are involved in the Madison district.

Weil and Roark charged that the three school boards formed a "conspiracy to negate collective bargaining by the teachers," and that they are acting in "bad faith."

Madison teachers are asking salary increases of \$128 per month for new teachers, a decrease in the size of classes and other benefits. The board previously offered salary increases of \$31 to \$55 per month, but after a breakdown of negotiations, terms were reverted to those listed in the old contract.

Weil said the teachers are not asking enough. "We need at least a \$10,500 average salary to compete with other professions to get the professionals we need to teach our children." He said the average now is about \$8200, and that additional funds should be provided by the State Legislature.

Auto Overturns

An auto driven by Jimmy Farley, 2102 Bryan avenue, who started to pull in after passing an auto, ran off the road and turned over after he lost control at 3:10 p.m. Wednesday on Nameoki road and Moro avenue. The front and right side were damaged. The driver escaped injury, police said.

sengers in the car driven by Earl Littrell.

Also hurt were Jacqueline Jordan, 24, Alton, released here after treatment for right knee injuries, and Bernice Jordan, 43, Alton, driver of an auto which was northbound on Route 111.

State police said Littrell was southbound and attempted to turn left onto East Chain of Rocks road. The right side of his car and the front of the Jordan auto were damaged.

Two Drivers Injured
Two persons were injured when an auto driven by John W. Jenkins, 56, of 2442 Lynch avenue, and a truck driven by Virgil Kynion, 47, of 2042 Iowa street, collided at 11:55 a.m. Thursday at 2201 Lee avenue.

The Jenkins auto then hit a concrete block fence. Both drivers were taken to St. Elizabeth Hospital for treatment and were released. Jenkins had abrasions and contusions to the back, and rib x-rays were taken. Kynion had a cut to the head requiring six sutures, and x-rays were taken. Kynion was charged with a right-of-way violation.

Car Hits Crossing Lights
Daniel H. Knight, 31, of 1335 Edwardsville road sustained injuries at 11:25 p.m. Friday when the front of his auto struck and partly knocked down Granite City Steel Co. railroad crossing signal lights. He had been northbound on Omaha street and was attempting to turn left onto 20th street.

Charged with reckless driving and released, Knight said he was forced over by another auto.

Auto Hits Abutment
Benjamin McMillan, 46, Granite City, was injured Thursday night when his southbound auto hit a bridge abutment on Illinois Route Four at U. S. 40 five miles east of Troy.

Gary Foutch, 18, of East St. Louis, was injured when his auto ran into the rear of a dump truck driven by Ellis F. Angle Jr., 2865 Iowa street, at 3:20 p.m. Wednesday on Route 203 two-tenths of a mile north of Bend road. Foutch was treated at St. Elizabeth Hospital for a lacerated right eyebrow and nose and was released.

Robert H. Mosser, 58, of Overland, Mo., was treated for a scalp cut at St. Elizabeth Hospital at 6:15 a.m. today after the auto he was driving struck the left rear tire of a truck parked outside a restaurant in the 1800 block of Madison avenue. Bill Cooper, 35, of 116 Abbott street, Venice, driver of the truck was not hurt, and Mosser was released following treatment.

Laclede
and reportedly revolved around a dispute between the company and the union over dismissal of an employee who was involved a week previously in a fight with his foreman.

Union members protested that the company, after a hearing, dismissed the employee, but kept the foreman on his job. A meeting called by Davis in the Labor Temple Wednesday morning ended without a decision to return to work.

Davis said the meeting Friday that the return to work on all shifts will be followed by a meeting between union and company officials to iron out any existing grievances.

Annual 'Junior Olympics' at GC Park Tomorrow

The fifth annual "Junior Olympics" of the Granite City park district will be held at Diamond Eight, Wilson Park, Tuesday at 7:30 p.m. The public is invited to attend.

William Kosyak, president of the park board, will give the welcome and read the Olympic oath from a stand, with other park commissioners attending.

A fanfare of trumpets will be presented by members of the Granite City high school band, and Boy Scouts will hoist an Olympic flame and a "sacred fire" will be lit by Jim Jones, and the national anthem will be sung by Miss Colleen Robertson.

Following the ceremonies, winners selected from each of the park district summer recreation centers will begin track competition, with the winning center receiving a traveling trophy.

Coaches from GCHS will serve as judges in all events.

County Board Meets On Disposal Plans

Alternate proposals for solution of Madison county's trash and garbage disposal problem were under discussion in a special meeting of the Madison County board of supervisors shortly before noon today.

The board met this morning in an attempt to decide which of two proposed bond issues will be submitted to the voters in the Nov. 5 general election for the purpose of establishing disposal facilities.

Under discussion was an engineering report by Homer & Shiffrin which recommends two alternate proposals one calling for more than \$3 millions to establish three large sanitary landfills in various parts of the county, and the other calling for more than \$7 millions for installation of an incinerator and one landfill.

19 Autos Ticketed, No GC Auto Licenses

Nineteen Granite City motorists were ticketed by police Wednesday for failing to have city auto license stickers on their cars.

They are subject to fines of \$5 plus purchase of the \$3 license. Police said the city sticker crackdown will continue.

Car Hits House, Flees

A hit-and-run auto struck the home of Edith Bolan, 4901 Maryville road, at about 7:30 p.m. Thursday, she reported to the Madison county sheriff's office. Asphalt siding was damaged and blocks in the foundation were knocked loose.

Son Arrives for Former Residents

Mr. and Mrs. Carson E. Wallace, 10 Hill Creek road, Collinsville, former Granite City residents, have selected the name Craighon Eugene for their son born July 3 at St. Elizabeth Hospital. The new arrival weighed six pounds, 12 ounces.

The Wallaces have two other children, Rebecca Starr and Bradlee Carson.

Child Hurt in Venice

Matilda Robinson, 9, was treated Thursday night at Macmillan Hospital, St. Louis, for an eye injury received during the late afternoon in Lee Park at Venice. The child's mother, Mrs. Virginia Robinson, told Venice police the child was injured accidentally when kicked while playing.

Mrs. Emilie Reinhardt, 76, Dies of Stroke

Mrs. Emilie S. Reinhardt, 76, of 1708 Garfield avenue, died Thursday at 1:35 p.m. at St. Elizabeth Hospital where she had been a patient for two days after suffering a stroke.

A resident of this city for 54 years, she was born in Washington County, Ill. She was a member of St. Elizabeth Roman Catholic Church and the Daughters of Isabella.

Her husband, Oscar Reinhardt, real estate Co., died on July 16, 1967.

Survivors are two sons, Norman and Milton Reinhardt, both of Granite City and nine grandchildren.

Services were held Saturday. Additional information is given in today's obituary column.

HOSPITALITY TOUR. Pre-school age youngsters, enrolled in Project Head Start at Harris school, Madison, enjoy a punch and cookie break during a tour of St. Elizabeth Hospital.

30 Head Start Pupils Tour Local Hospital

A behind-the-scenes glimpse into hospital life was enjoyed last week by 30 youngsters who attend summer Head Start classes at Harris school, Madison. The educational outing was arranged to acquaint the pre-schoolage children with various community services.

The four- and five-year-olds spent two hours at St. Elizabeth Hospital where they toured the dietary, x-ray and laboratory areas, visited briefly in the pediatric department and observed demonstrations of various equipment used in patient care.

The group was accompanied by Mrs. Margaret Blackshear and Mrs. Shirley Loy, members of the Harris school faculty and supervisors in the Head Start program.

Man, 46, Bound Over In Gasoline Theft Case

William L. Waters, 46, a truck driver from Jacksonville, one of five men charged with theft of about 250,000 gallons of gasoline from Shell Oil Co., was bound over to the Madison county grand jury last week by Magistrate Joseph Kelleher at Edwardsville at a preliminary hearing.

The hearings for the other four were continued until July 15 at the request of defense attorneys, and Judge Kelleher reduced bonds on the group from \$25,000 to \$10,000. They are at liberty.

The other defendants are Herman Wilson, 37, 222 Nevada avenue; James L. Riley, 36, of Wood River; Cecil Huetch, a Belleville truck driver; and Harry Melow, Wood River service station operator.

The hearing for Waters lasted more than a week. Defense attorneys asked time to study testimony presented by witnesses during Waters' hearing. Among those called were supervisory personnel at the refinery.

Three Face Traffic Charge After Chase

Venice police arrested three youths Thursday afternoon after a police chase that started when four cars were seen driving fast. A variety of traffic charges were filed against them.

Those arrested were Levell Johnson, 17, of 209 Booker street, West Madison, charged with driving without a driver's license and improper display of license plates; Carl Jackson, 18, of 209 Allen street, Eagle Park Acres, charged with speeding and running two stop signs; and Sylvester Gray, 21, of 207 Allen street, Eagle Park Acres, charged with operating a motor vehicle without a driver's license.

Jackson was released on \$150 cash bond and Gray was released on \$75 cash bond. Both are to appear for hearings July 24. Johnson was unable to post bond immediately.

Flight 2 Grass Fires

A grass fire near the Hyman Michaels scrap metal yard and the Broadway viaduct kept Venice firemen on the scene an hour and a half Thursday afternoon. Firemen received the call at 1:45 p.m. and remained at the scene until 3:25 p.m. There was no damage. Venice firemen also answered another grass fire alarm at Broadway and the railroad tracks at 6:50 p.m. Thursday. They were at the scene 20 minutes.

GC Seabee Directs Work On Vietnamese Hospital

Michael G. Nesbit of Granite City, a Seabee of Mobile Construction Battalion 62 in Vietnam, is helping to build an opportunity to treat disease among Vietnamese children.

Nesbit, son of Mr. and Mrs. Thomas F. Nesbit, 2307 Warren street, and S. D. Sanford of Northport, Ala., are in charge of construction of a modern hospital to replace an overcrowded, dilapidated clinic at the Force Logistics Command near Danang.

They are supervising a crew of about 30 Vietnamese workers hired from neighboring villages to erect the hospital. They direct the work by using a combination of sign language, English and Vietnamese, making sure the blueprints are followed and that the laborers follow the best and fastest methods of doing the job.

When the hospital is completed in early fall, it will have a 120-bed general ward, an isolation ward, modern operating and emergency rooms, x-ray equipment and an intensive care section.

Nesbit is a member of the U. S. Navy Reserve. He entered the Navy under the Direct Procurement Petty Officer program in August 1967, and after attending builders school in Gulfport, Miss., he joined Mobile Construction Battalion 62 with the rating of Builder Second Class in October 1967.

He is married to the former Charlotte Ann Stajduhar, who is living with her parents, Mr. and Mrs. Joseph Stajduhar, 3018 Vanecko road.

Master Gunner Sgt. H. E. Lanter, the hospital's Marine Corps administrator, said the F.L.C. Children's Hospital is the only one of its kind in Vietnam. "Even with the inadequate facilities we have now," he said, "children are brought to us from as far north as the demilitarized zone and as far south as Saigon."

The clinic, which has been in operation since 1966, has room for only about 30 ward patients, but because of the large number of children brought in here for treatment, Lanter sometimes crowds as many as 80 or 90 into the space.

Transit Firm Income Slightly Above Budget

Revenue of the Bi-State Transit System during May was \$2,090,787, above the budgeted estimate of \$2,063,000, according to a report submitted by the transit system to the Bi-State Development Agency.

The report was submitted to Bi-State officials since no June meeting was called. Next session of the Bi-State board will be held July 24.

The transit report showed May operating expenses totaled \$1,805,397, leaving net revenue of \$285,390 before payment of \$271,833 to fund requirements under the trust indenture. This left a balance of \$13,557, which leaves a cash deficiency of \$969,370 in the Depreciation Reserve Fund as of May 31.

Hospital Razing Moves To Begin Construction

Demolition of four houses in the 2100 block of Iowa street across from St. Elizabeth Hospital began last week to provide a parking area to replace the lot on the site where new construction will shortly get under way.

Purchased some time ago by the local hospital as part of its expansion and improvement program, the homes are being razed by M. H. Wolfe Construction Co.

School Window Broken

A window was broken at Stallings school during the holidays. It was reported to the Madison county sheriff's office at 8 a.m. Friday. There was no entry.

Mock Election for President Being Planned by Jaycees

Plans for a mock election for presidential candidates were made by Granite City Jaycees at a business meeting Wednesday evening.

The public will be asked to cast ballots for presidential nominees named at national party conventions. David Partney, who is "mock election chairman," said the voting is scheduled for Aug. 31, with ballots and ballot boxes to be located in the downtown business district and at shopping centers.

"The mock election," he said, "may provide some indication of local voting trends for the real election in November."

Richard Dawdy, newly-installed Jaycee president, conducted the session and announced the following committee appointments: Publicity—Boyd Presley; Explorer Scout post—Gary Delafoyer; membership and activation—Ray Lake and Jerry Oxford; and newsletter—Guy Cooper.

Dr. Robert Schmidt announced a "Battle of the Bands" contest will be staged at the Wilson Park rink pavilion Sept. 15, under sponsorship of the Jaycees. Any group wishing to enter the local contest is invited to register with Dr. Schmidt, or a Jaycee official. About ten groups, so far, have indicated interest in participating.

No entrance fee will be charged competing bands and the winning group will receive a trophy.

Former GC Resident, Mrs. Edrington, Dies

Mrs. Pearl Edrington, 63, of 8904 Halls Ferry road, St. Louis, a former resident of Granite City, was pronounced dead on arrival at the Normandy Osteopathic Hospital, Normandy, Mo., at 3:30 a.m. Friday, July 5.

An inquest will be conducted in St. Louis to determine the cause of death.

She was born in St. Louis and moved to Granite City as a young girl, returning to Missouri to make her home 23 years ago. She was last employed at Famous-Barr Co. for seven years.

Her husband Clifford Edrington died in 1955.

Surviving are two sons, Clifford Edrington Jr. of St. Louis and Milton Edrington of Granite City; one daughter, Mrs. Al (Blanche) Burke of St. Louis; 13 grandchildren and four great-grandchildren.

Funeral arrangements are given elsewhere in this issue.

a cash prize, plus an all-expense paid trip to the state "Battle of the Bands" contest and possible recording contracts, the chairman said.

A visit to the Granite City Jaycee chapter on Aug. 16, is planned by Ron Rieck of Pekin, Illinois Jaycee president, Dawdy announced. He said the state president will discuss advantages of Jaycee membership with prospective members and others. A fish fry is being arranged in conjunction with Rieck's visit here, it was reported.

A special committee was appointed to prepare a bid requesting the 1968 Illinois Junior Sports Jamboree be held in the local community. The Granite City club hosted a successful meet two years ago. Boyd Presley, who served as 1966 state chairman, was named to head the bid committee, composed of Dawdy, Tim Jeffries and Jerry Oxford.

Trades, Labor Council Renominates Reiske

Edwin F. Reiske, secretary-treasurer of the Labor Temple Association, was nominated as president of the Tri-Cities Trades and Labor Council for the 16th consecutive year, at the council's regular meeting Wednesday evening.

The annual election of officers and trustees will take place Wednesday, July 17, at the Labor Temple, 3014 State street.

Other council officials nominated who will be unopposed in next week's election, include: Vice-president—Lennie Crockwell, United Steelworkers of America, Local 1785 recording secretary—Donald Parente, Firefighters Union, Local 253; financial secretary—Helen Peters, Cooks & Waitresses Union, Local 461; treasurer—James Arnett, Steelworkers' Local 30.

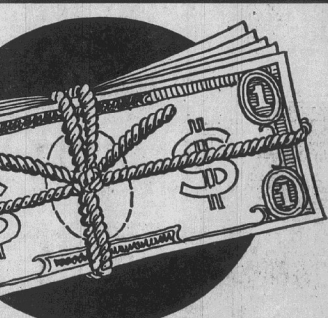

Guard—George Gegus, Painter's Local 121; guide—Mitchell Aramowicz, Steelworkers' Local 1063; and trustees—Carl Harrison, Building Services Employees, Local 98, and Roy L. Logan, Patternmakers Association.

In other business, council delegates adopted resolutions opposing the Illinois constitutional convention and another pertaining to a labor controversy involving an insurance firm.

Former GC Man Heads New Gun Scope Industry

A former Granite City resident is chairman of the board of a firm involved in the manufacture of new gun scopes now in use in Vietnam.

Rhe is Sherman Schewe of Campbell, Calif., who was an organizer of Stemo Engineering & Manufacturing Inc. in nearby Redwood City, Calif. The firm was started less than two years ago in a shop of 800 square feet, and last August it moved to another building of 10,000 square feet. The scopes utilize starlight and other night skyglows or reflected luminescence and provides troops with a TV-like gun-sight picture of enemy marksmen at night.

Types of Sights
There are several types of sights, some specially arranged for rifles or for hand-held observation, another for 50-caliber machine guns and light artillery, and some for use aboard ships, land vehicles and forward listening and command posts. They weigh from five to 38 pounds. The basic unit known as "Starlight" weighs five pounds.

Receives Combat Infantryman Badge

The Combat Infantryman Badge, mark of distinction for the fighting soldier, has been awarded to First Lt. Paul J. Costello, a son of Mr. and Mrs. James T. Costello, 1600 Clark avenue.

Lt. Costello has been assigned to Advisory Team 96, advising 1st Battalion of the 20th Vietnam Army Division's 50th Regiment, as a senior advisor. The 25-year-old lieutenant entered the Army in February 1966 and was last stationed at Fort Bragg, N.C., before arriving in Vietnam last February. He was graduated from the Granite City high school and attended the University of Illinois before entering service.

Rites in Carrollton For Robt. Sullivan

Funeral services were held Friday afternoon in Carrollton, Ill., for Robert J. Sullivan, 97, a former Granite City resident, who died on July 1 at Mt. Pleasant, Iowa.

His survivors include five daughters, Mrs. Katherine Pulley, Mrs. Esther Munoz and a Mrs. Evelyn Bridgman of Granite City, Mrs. Betty Ann Carpenter of Madison and Mrs. Jean McDowell of Greenville, one sister and three brothers.

Games were played during the afternoon followed by refreshments.

Guests attending were Mary Ann Krawieck, Mary Helen and Doris McCunney and Karlene Powell.

HOLIDAY IN OZARKS

Mr. and Mrs. Malcolm A. Thompson with their granddaughter, Kelly Connell, and their son-in-law and daughter, Mr. and Mrs. Stephen R. Johnson all of 4170 Brockbridge lane, returned to their home Sunday evening. They had taken a four-day vacation trip to the Lake of the Ozarks in Missouri.

MRS. JAMES K. WARREN, the former Miss Janet Marie Darakjian, daughter of Mr. and Mrs. Aram A. Darakjian, 3148 Princeton drive, whose wedding took place Saturday evening at the First United Presbyterian Church.

Candlelight Ceremony for Warren-Darakjian Wedding

Candlelight illuminated the sanctuary of First United Presbyterian Church for the wedding Saturday evening of Miss Janet Marie Darakjian and James Kenneth Warren.

The bride is the daughter of Mr. and Mrs. Aram A. Darakjian 3148 Princeton drive. The bridegroom's parents, Mr. and Mrs. R. V. James Warren, reside at 3255 Edgewood drive.

Rev. Dr. David Bruce Maxton officiated at the 7 p.m. ceremony before an altar decorated with urns of white gladioli, and pom poms.

Mr. Darakjian escorted his daughter down the white carpet aisle and gave her in marriage.

She chose a floor length gown of silk organza designed with a fitted bodice, re-embroidered with jeweled Alencon lace, and a scooped neckline. The elbow length sleeves were in matching lace and edged with a tiny scalloped lace.

A Watteau train attached at the waistline fell gently into a Cathedral train scalloped at the edges. Delicate scallops were repeated around the hemline of the bridal gown.

A forward cluster of organza petals embellished with tiny seed pearls held in place her tiered veil of pure silk illusion. She carried a cascade bouquet of white orchids, stephanotis and baby breath.

Miss Ellen Chapman was maid of honor, Miss Nina Darakjian, Miss Margaret Darakjian, both sisters of the bride, Miss Deborah Warren and Miss Mary Jo Warren, the groom's sisters, and Miss Patricia Kawula served as bridesmaids.

They were attired in identical formal lengths gowns in bluish pink styled with Empire waistlines, Kabuki sleeves which were embroidered with flowers in light green and a deeper shade of pink. They wore tall bows as headpieces. The bride secured a nose tip veil in matching color.

They carried European baskets filled with roses, carnations and daisies in different shades of pink with ivy streamers and a touch of Boston fern. Little Susan Squires, the flower girl, was dressed in a full length pink organza gown, fashioned to match those of the bridesmaids. Her basket was a miniature of those carried by the honor attendants.

Michael Bunjan was the ring bearer, and Henry P. Barnett attended the groom as best man. Gerald Ritchie, Walter Bruder, George Brink, Robert Breithardt, Dale Rosebrock, Steve Ritchie, Louis Muhl and George Moore Jr. completed the corps of groomsmen and ushers.

The evening reception was held at Augustine's in Belleville, immediately following the ceremony.

Mrs. Darakjian selected a dress and jacket ensemble of dress raw silk with beaded trim and matching accessories. The groom's mother appeared in a deep pink A-line dress of silk and matching accessories. Both wore white cymbidium orchid corsages.

Double-Ring Ceremony for Meadows-Bulander Nuptials

Miss Karen Bulander, a daughter of Mr. and Mrs. Roy Bulander, Rural Route One, and Sp/5 Kenneth Lee Meadows Jr., whose parents are Mr. and Mrs. Kenneth L. Meadows Jr., of Fulton, Ohio, were married Saturday evening at Second Baptist Church.

Rev. W. L. Showers officiated at the 7 p.m. ceremony. The double-ring service was used. Mrs. Betty Grote was organist, and Miss Letta Marmion was vocalist.

The bride was given in marriage by her father. She wore a gown of Chantilly lace over tulle. The sleeves were long and pointed. The bodice featured a sabbina neckline accented with sequins, and sequins trimmed the sleeves. The floor-length gown was edged with scalloped lace and a detachable train of silk illusion fell from the shoulders. A bouffant veil of illusion was secured with a forward headpiece of pearls.

The bride's bouquet was a cascade of white roses. Linda Long was maid of honor and Kathy Baker and Jo Ann Ellberg served as bridesmaids.

The honor attendant wore a deep pink tulle gown with a slender skirt and a long, sheer detachable train. The puffed sleeves were elbow-length and the high round neckline was scooped in the back.

The bridesmaids wore light pink. Their gowns had butterfly sleeves and were trimmed around the waists with white and pink flowers. All three carried cascades of hot pink pom poms and carnations.

Benjamin Romano served as best man and groomsmen and ushers included Bill Kraske, Stanley Molina, Kenneth Dierker and Bill McMasters.

The sanctuary was decorated with altar bouquets of white gladioli and pom poms and lighted with candles in seven-branched candelabra.

A reception was held at the church after the ceremony. The bride, a 1957 graduate of Granite City high school, is an IBM operator employed at a bank in St. Louis. Sp/5 Meadows is stationed at the Granite City Army Depot. He has been here since last October. The newlyweds will live at 2903 Cayuga street.

Orphans Enjoy Visit To Wilson Park Rides

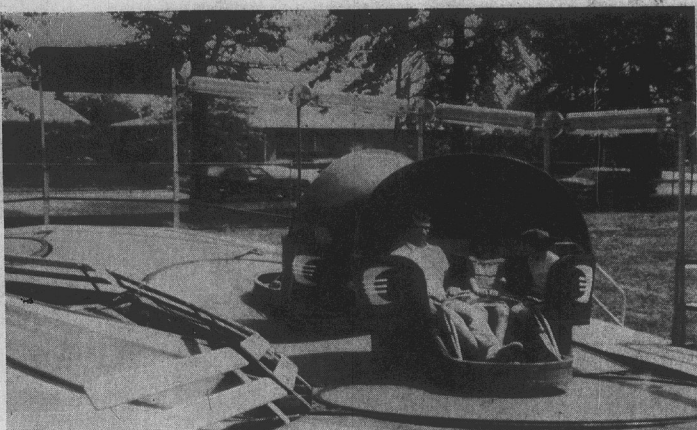

A happy group of orphans from the Alton and Maryville children's home was entertained for three hours at the Wilson Park holiday festival Saturday as Fatima Circle 838, daughters of Isabella, followed its annual custom of hosting the youngsters.

The park district and Ray Sweeney, operator of rides at the festival turned the rides over to the group for two hours.

Varied refreshments then were served, with the Granite City Democratic committee providing soda. Bakery goods and hot dogs also were contributed, and others aided financially.

The children and hostesses totaled 120.

Mrs. Rose Griffin was chairman and Miss Marie Zimmer was co-chairman. Assisting them were Mesdames Grace Range, Florence Byrne, Pauline Meszaros, Vera Caray and Ann Pare and Misses Mildred Nagel, Juliana and Dorothy Hoedbeck, Ann Trtanj and Lydia Duggan.

OVER 100 ORPHANS from Alton and Maryville children's homes rode this and other rides and enjoyed refreshments Saturday at their annual outing at the Wilson Park Fourth of July festival.

CAPTURING THE ATTENTION of all but one momentarily-distracted Cub Scout is the Black Widow spider farm operation at the Granite City Army Depot being shown and explained by Heniz Jockisch, industrial instrument repair foreman in the Depot's Topographic and Electronic Division. Members of Cub Pack 97, sponsored by McKinley school, toured the installation accompanied by Den Mother, Mrs. Juanita Hunter, and Lt. Thomas Kerr, a Depot escort officer.

Madison Rotary Club Begins 1968-69 Year

Madison Rotarians began their 1968-69 year Wednesday with a luncheon and business session conducted by Will Radman, new president. He named George Frangoulis and Harvey Miller to head the continuing drive for Madison memorial playground funds.

The club's project to establish athletic courts on the grounds of the Madison recreation center as a memorial to Vietnam and Korea war veterans was reviewed with Mayor Stephen Masera, whose municipal playground and recreation commission is to assume supervision and maintenance of the facilities when they are installed.

Jess Ditch, new advisor of the explorer post and Interact club sponsored by the Rotary club, was a guest at the meeting along with Wilbur Irelan, assistant Unitway Boy Scout district executive.

Hymn Singalong, 3rd 1968 Park Concert, This Thursday

The third concert in the "Music Under the Stars" summer concert series will be held Thursday at 8 p.m. at the pavilion in Wilson Park.

All "Music Under the Stars" programs are sponsored by the Granite City park district and are open to the public without charge. Park benches are provided, and the audience can also bring lawn chairs if desired.

This Thursday's program will be a "hymn singalong" led by Warren G. Simpkins, director of the "Music Under the Stars" programs. Favorite hymns of many different churches will be included during the evening.

Soloists will be Mrs. Alan Dale, Mrs. Betty Blaylock, Miss Debbie Milton, Ray Willie, Jerry Doyle and Mrs. Laura Dames.

Mrs. Dames, the former Helen Roseman, graduated from Granite City high school in 1954, attended Northwestern University for two years and graduated from Trinity University, San Antonio, Tex., with a bachelor of music degree in 1969.

She has worked in radio and television, as a church soloist, and as a teacher of music in the Northeast school district in San Antonio. In September, she will be the vocal teacher of the new Paul A. Grigsby Junior high school here.

Also performing will be the "Young Life Trio," Vicki Mercer, Debbie Knapp and Jan James, from First Assembly of God Church and the "Music Under the Stars" adult small ensemble.

Accompanists will be pianist Janet Young, a Granite City high school senior and "Music Under the Stars" accompanist; and Robert H. Dames.

Dames, originally from Red Bank, N. J., received his bachelor of music degree from the Oberlin Conservatory of Music and his master degree from Yale University. Since 1961, he has been organist-choristmaster of First Presbyterian Church, San Antonio, Tex., and is currently working on his doctor of philosophy degree in music at the University of Texas.

The final "Music Under the Stars" concert will be Thursday, July 25.

Kirkpatrick Teen Club Plans Meeting Tuesday

Due to a substantial increase in membership, the Kirkpatrick Teen Age club will hold its regular meeting at 7 p.m. tomorrow in the Kirkpatrick Homes recreation center instead of at a private home, where the group has previously met.

Mrs. Rudazyle Kramer, club advisor, said all youths between the ages of 15 and 19 are invited to participate in the group's activities. A dance, scheduled earlier for Saturday, July 13, has been postponed until a later date.

Youths Plead Innocent

Guy Gordon Bishop, 18, of 2034 Dewey avenue, and David R. Parley, 18, of 2712 Denver street, pleaded not guilty charges of criminal damage to property in magistrate's court Wednesday afternoon. Bonds of \$2000 were set pending trial at 1:30 p.m. July 15 and the two were taken to the Madison county jail.

Family-Sex Education Group Plans Program

Meeting in the board of education administrative offices at 2014 State street last week, the Family Life-Sex Education Steering committee made plans to develop a questionnaire, dealing with curriculum coverage, and to contact local professional and educational groups thereby securing the names of resources people to assist the committee in future public education programs.

Dr. Harold Toussaint, committee chairman, reported his findings on a survey of local physicians regarding incidences of gonorrhea and syphilis locally, and of illegitimate pregnancies.

Incidences of syphilis are low in the community, the physician said, adding, however, that instances of gonorrhea are more frequent, and illegitimate pregnancies are still more prevalent. He explained to the committee the causes, effects and procedures for diagnosing the two social diseases.

Owen Humphrey, curriculum coordinator for Granite City schools and a committee member, announced plans for two "in-service" education programs to be held Oct. 22 and Nov. 20 for community leaders. The seminars will be co-sponsored by the Office of the Madison County Superintendent of Schools and Region V of the Office of the State Superintendent of Public Instruction, he said.

A questionnaire, designed to determine the extent of teacher interest and content of sex education programs currently being taught at the kindergarten through 12th grade levels, will be prepared and administered to grade, junior high and senior high school faculty members this fall, it was decided. Visits by the committee, to gather additional facts about school programs already operating, will be arranged later this year.

Dr. Toussaint agreed to contact persons in the medical field who might be helpful to the committee and asked Miss Barbara Kerch to survey the educational field for similar programs.

Appointed as co-chairmen of the publicity sub-committee were Mrs. Twila McKinney and Mrs. Lucille Caban, with Carl Macios named chairman of the finance sub-committee.

Other steering committee members are Rev. Carl Cross, Mrs. Beatrice Pyle, Rev. A. J. Schwallenbach and Edward Gonwa. The Tri-Cities Chamber of Commerce also will assign a representative to the special board, it was reported.

Reports Glasses Lost

Prescription sunglasses having black frames, with the owner's name inside the frame, were lost at the Army Depot by John McQuade, who resides there, police were informed at 2:20 p.m. Friday.

The underground peace pipe

For peace of mind, convert to natural gas heat

Are you still heating with a fuel that needs shaking and stoking at inconvenient hours? Or with a fuel that can freeze-up in a pipe-line just when you need it most? Could an ice or snow storm stop your fuel deliveries cold?

Then convert to natural gas heat right now. Gas is as problem-free as a fuel can be. Makes you independent of weather, delivery trucks, storage tanks or bins. Gives you clean, uniform, fully automatic comfort.

The time to convert to natural gas heat is right now—not next winter when your heating contractor will be at his busiest. So call your heating contractor today.

JOLLY TWELVE MEET WITH MRS. BARNES
The Jolly Twelve Club met Wednesday with Mrs. Jean Barnes at her home, 1729 Primrose avenue.
A new member, Mrs. Myrtle Burns, was welcomed by the group at a noon luncheon served by the hostess.

The afternoon was spent playing pinocle, with prizes going to Mesdames Myrtle Ryan, Kathryn Smithson, the hostess, Helen Love and Myrtle Burns. Mrs. Love has invited the club to her home, 1724 Primrose avenue, for the next meeting July 18.

MRS. PAINTER ENTERTAINS CLUB
Mrs. Marlene Painter, 2255 Buehler drive, entertained her club, The Originals, last week. A business meeting was held and the members were made aware of the group for 1968-69. The group also celebrated the birthdays of two of the members, Mrs. Jo Marie Bywater and Mrs. Janet Kunick. Both received gifts from the club.

The remainder of the evening was spent at games and with a "singalong." Others present were Mrs. Athalia Bug, Mrs. Betty Corcoran, Mrs. Faye Bernaday and Mrs. Doris Bernaday.

GRANITE CITY UNIT STUDIES FINANCE TOPIC
"What You Should Know About Managing Family Finances" was the topic of the major lesson, presented by Mrs. Marlene Painter, at a monthly meeting of the Granite City unit, Madison County Homemakers Extension Association, on Wednesday.

A pot luck luncheon with a July 4th theme was held on the grounds of the Chuck Wagon on Johnson road, with Mrs. Herb Tempel, Mrs. Marshall McElroy, Mrs. Frank Pare, and Mrs. Virgil Travis as hostesses.

Mrs. Arthur Ringering, chairman, presided over the business session and assisted with the session.

She announced the unit will resume its monthly meetings Sept. 1 at Grace Baptist Church. A 9:30 a.m. craft meeting will precede the business session, and those attending are to bring sack lunches.

Mrs. F. G. Stephens presented the selected subject for "County Homemakers Policy." Others attending were Mesdames Larry Wright, Eugene Olson, Richard Johnson, Carl Hoffman, Amy Turnbull, Helen Ramsey, John Garmati, Mike Krikan, George Johannmeier, Florence Gruber, Ann Noth, William Piel, Al Hechter, Kathryn Arnold, Arthur Johannmeier, Mike Skubish, Phil Jones, and Mrs. Zikovic.

and guests, Mrs. Phillip Tempel, Miss Susan Ringering, Miss Jackie Stein, Christine Wright and Julie Johnson.

150 Attend Class Reunion

About 150 persons attended the reunion of the January and June 1948 classes of the Granite City high school Saturday evening at Fischer's restaurant, Belleville.

A cocktail hour preceded the smorgasbord dinner after which Otto Buer, vice-president of the January class, and Gerald Griffith, president of the June class, welcomed the two groups and made several awards. They were for those traveling the longest distance; the youngest child; the largest family; married the longest; and the most recently wed couple.

The awards went to June Harris Gehlert and Jack McGee of the January class; Maxine Littlejohn Grissam and Dorothy Clements Miller; Richard Branding of the January class; and Martha Tomich Holuh of the June class; Dolores Ropac Harzard; Rosa E. Heiland; June Mae Dean Chaffert Lloyd and Lorena Huebner James; Bert Hoffman of the January class and Delores Bledsoe Scott of the June class.

A large map of the United States and foreign countries with small flags attached bearing the names of class members residing out-of-town was displayed, together with additional pictures of events during high school days, and letters from those of the class unable to attend.

Each one present was given an identification tag representing a diploma, and a copy of a senior edition of the school paper.

Messages of regret were read from the class deans, Alfred Krumstreck, Mrs. Christine Ann Schuetz, the leader of Urbana; Mrs. Dorothy Lueders, Mrs. Little Dod and Eugene Alasit. A number of prizes were awarded.

Beside the local persons present there were class members with their wives and husbands from Georgia, Illinois, and out of Illinois and the St. Louis area.

The evening ended with dancing and plans were made for a 25th anniversary party.

DR. JAMES BREYER AND FAMILY VISITING HERE

MORE ABOUT Burglars

She became suspicious, however, and drove along Fourth street and Route 3. The man drove after her, overtaking her car and forcing her off the highway near the Brooklyn school. She demanded that he produce credentials or a badge.

The man then grabbed her by the throat, took her blizzard and a coin purse and drove away, she reported. The woman drove to the National City police department to report the incident. National City officers notified Venice police who later found the check, blizzard and coin purse on the Broadway viaduct.

Burglars ransacked two bedrooms and stole a .22 caliber Remington-Union City revolver from the home of Mrs. W. E. Kester, 2805 Benton street, between 9:30 and 9:50 p.m., Wednesday, he reported at 10 p.m.

A living room clock and a portable television set were left at the side of the front door, and the occupants believe the intruders fled as they were opening the rear door. Entry was gained by removing the screen in the carport and forcing the window.

The home of Mrs. Lawrence Murray, 120 Springfield avenue, was entered by burglars over the holiday weekend and looted of several guns, fishing tackle and electric power tools. The home was ransacked between Saturday afternoon and Sunday evening, she reported to county authorities.

At least 20 guns, including several valuable rifles and shotguns and a range finder, with a total value of several hundred dollars, were stolen over the long holiday weekend from the home of Walter Gorkin, 4856 Warneck avenue.

The burglary was discovered at 5 p.m. Sunday after the family returned from a four-day trip to South Dakota. The entrance was gained by breaking a glass in the basement door.

Entrance was gained by breaking a glass in the basement door.

An inside door was pried open at the home of Waldo L. Wright, 2801 Benton street, while the family was away on vacation, it was reported at 8:10 p.m. Thursday by a son.

The statement Smith said he related the four men went to the Robins Nest tavern early last Thursday morning, parked about two blocks away, and that three of them, using a tire wrench as a pry bar, tore a sheet of plywood off a foyer to gain entrance. Higgins remained in the car during the burglary, Smith told officers.

In the statement Smith said the trio made two trips to the car carrying whisky and beer, which they put in the car trunk. They also broke open the juke box. Police said the cigarette machine also was broken open. Smith said the money was split three ways and that his share was \$47. At the time the theft occurred, Otto Butler, operator of the tavern, reported five cases of whisky and five cases of beer were stolen.

According to Smith's statement, the men drove to St. Louis where most of the loot was left with a friend of Williams.

Williams denied participating in the burglary. He told officers he had never seen the men found him at Garrett's tavern and asked him if he would hide a basement window at 2664 Benton street Thursday night, police were notified at noon Friday.

A burglar took a 17-inch television set and stand valued at a total of \$200 between 7 a.m. and 4:15 p.m. Friday at the home of Phyllis Campbell, 2421 Wilson avenue, gaining entry by forcing open the front door.

A burglar ransacked the Lawrence residence Sunday night, police were notified at noon Friday by a neighbor. The family, which had been on vacation, prepared a list of missing articles. The thief forced open the front door to gain access to the home.

Service Station Burglary
Change was taken from cigarette and soda machines registered by forcing open in a burglary of the Phillips 66 service station on Collinsville road in State Park Place, it was reported to Madison county sheriff's office at 2:50 a.m. Friday. Entry was gained by forcing the back door.

J. D. Sands, 202 Watson road, reported to Venice police this morning that two new air conditioning units were stolen from a building at Mercedia and College streets where they were to be installed today. Sands said the units were in the yard at the time they were taken.

20,000 persons viewed this year's display in Granite City and more than 10,000 attended yesterday's exhibition at the Madison fete.

Working on information received Saturday, police arrested Frederick "Higgins" Joe Smith, 20, of 623 Mercedia street; Tommie Lee Williams, 22, of 183 Lee Wright homes; and Leonard Higgins, 20, of 1115 Logan street. Williams and Smith were charged with burglary and Higgins was charged with theft over \$150.

Police said Smith signed a four-page statement in which he related the four men went to the Robins Nest tavern early last Thursday morning, parked about two blocks away, and that three of them, using a tire wrench as a pry bar, tore a sheet of plywood off a foyer to gain entrance. Working on information received Saturday, police arrested Frederick "Higgins" Joe Smith, 20, of 623 Mercedia street; Tommie Lee Williams, 22, of 183 Lee Wright homes; and Leonard Higgins, 20, of 1115 Logan street. Williams and Smith were charged with burglary and Higgins was charged with theft over \$150.

Police said Smith signed a four-page statement in which he related the four men went to the Robins Nest tavern early last Thursday morning, parked about two blocks away, and that three of them, using a tire wrench as a pry bar, tore a sheet of plywood off a foyer to gain entrance. Higgins remained in the car during the burglary, Smith told officers.

In the statement Smith said the trio made two trips to the car carrying whisky and beer, which they put in the car trunk. They also broke open the juke box. Police said the cigarette machine also was broken open. Smith said the money was split three ways and that his share was \$47. At the time the theft occurred, Otto Butler, operator of the tavern, reported five cases of whisky and five cases of beer were stolen.

According to Smith's statement, the men drove to St. Louis where most of the loot was left with a friend of Williams.

Williams denied participating in the burglary. He told officers he had never seen the men found him at Garrett's tavern and asked him if he would hide a basement window at 2664 Benton street Thursday night, police were notified at noon Friday.

A burglar took a 17-inch television set and stand valued at a total of \$200 between 7 a.m. and 4:15 p.m. Friday at the home of Phyllis Campbell, 2421 Wilson avenue, gaining entry by forcing open the front door.

A burglar ransacked the Lawrence residence Sunday night, police were notified at noon Friday by a neighbor. The family, which had been on vacation, prepared a list of missing articles. The thief forced open the front door to gain access to the home.

Service Station Burglary
Change was taken from cigarette and soda machines registered by forcing open in a burglary of the Phillips 66 service station on Collinsville road in State Park Place, it was reported to Madison county sheriff's office at 2:50 a.m. Friday. Entry was gained by forcing the back door.

J. D. Sands, 202 Watson road, reported to Venice police this morning that two new air conditioning units were stolen from a building at Mercedia and College streets where they were to be installed today. Sands said the units were in the yard at the time they were taken.

Major Road Jobs Threatened by U.S. Fund Freeze

Two major highway construction projects in the immediate Quad-City area could be suspended from next year's Illinois Highway Department work schedule unless Illinois involved in a federal "freeze order" on U.S. highway grants for Madison and St. Clair county are resolved soon, it was learned by the Press-Record today.

Foremost among these is extension of Federal Aid Route 151 (The Great River Road) from Nidringhaus avenue in Granite City to Broadway in Venice where it will tie in with the Broadway underpass and relocated Main street.

Robert Kronst, Illinois highway district engineer at French Village, said this stretch of Route 151 will be a multi-million-dollar project because it will entail considerable bridge work to carry the highway over the network of railroad tracks between the Quad-City area. Immediate estimates are available but that section of the FA 151 construction will run into several millions of dollars.

Rt. 203 Threatened
The other Quad-City area threatened by the freeze order initiated by federal highway officials is construction of Route 203 (Nunneki road) from Interstate 270 at Mitchell to the north limits of Granite City, a project expected to cost from \$200,000 to \$300,000. Kronst said plans for the Route 203 construction are practically complete and most of the right-of-way has been obtained.

It had been expected, Kronst said, that this project would be included in the 1969 work schedule of the Illinois Highway Department. Preparation of the annual work schedule is begun by the highway department in the fall and customarily is completed by late December.

Meanwhile, the government order denying allocation of U.S. highway funds to projects in Madison and St. Clair county already has affected more than \$3 million in pending projects in the county area, most of which was scheduled in Madison county.

Kronst said that projects having by estimated construction cost of \$1,136,000 have been dropped from the Illinois state bid schedule scheduled Jan. 23.

Dropped From Bid List
They include: Benton Highway (part of the Great River Road) from Ridge street in Alton to Illinois Route 3, estimated at \$1,100,000. Upgrading of U.S. 66 to interstate standards from Interstate 270 to U.S. 40, to cost an estimated \$1,270,000.

Illinois 40 from Cottage Hills to Illinois Route 111, estimated at \$600,000.

Not Enough Negroes
There are not enough Negroes among union memberships to meet the federal requirement, it was noted by state officials.

While the order does not affect jobs now underway, there would be an overall curtailment of about \$30 million in construction work in the two-county area that would have been scheduled next year, Staff said.

The freeze on federal grants will not affect the Broadway underpass at Venice since no federal funds are involved. Its construction will be financed by state funds.

Three railroads that will cross the top of the structure. A bid letting is scheduled for the underpass job in the July 23 letting.

It also will not involve the pavement of the mile from Ponton road to Nidringhaus avenue in Granite City. Contract for that project already has been let to a Springfield construction firm.

U.S. \$9 for an estimated cost of \$157,000.

The federal freeze order was announced last week following investigation of highway costs in Madison and St. Clair counties and the area's progress in hiring Negroes on construction jobs. The order cuts off all federal allocations for highway projects in the two-county areas.

But Staff said that establishing requirements and enforcing them are two different matters. He said the federal demands cannot be met "without local initiative."

"We didn't set up the hiring halls . . . we are helpless," Staff said.

Highway officials point out that while the federal government is requiring a higher percentage of Negro workers on construction projects, the workers simply aren't available. Highway projects for the most part require skilled workers — carpenters, iron workers, cement workers and many others. The contractor must go to the Madison-St. Clair county area where they are supplied through union hiring halls.

Local Fireworks Displays Attract Over 30,000

Between 10,000 and 12,000 people—the largest crowd ever to witness the fireworks display—presented annually in connection with the Madison Fourth of July fete—attended last evening's pyrotechnic exhibition at the Madison observance site, while viewers at Wilson Park's fireworks spectacular Thursday evening numbered almost 20,000 persons, according to display officials.

Madison Police Chief Emmett Piazia commented this morning that more people than ever before witnessed last night's fireworks display, which concluded the five-day celebration. He added, "Everything went smoothly and everyone appeared to enjoy the colorful exhibition."

In an effort to obtain good seating accommodations, hundreds of persons gathered early Thursday evening around the oval perimeter of the Wilson Park fireworks display area, according to Harold Brown, superintendent of parks, blankets, air mattresses and portable
